Preaching The Risen Christ:

Preaching the Risen Christ Douglas William Cleverley Ford, 1988 *Preaching the Risen Christ* D. W. Cleverley Ford, 1994-01 **A Risen Christ in Eastertime** Raymond Edward Brown, 1991 In this book Raymond E Brown makes the rich insights of the modern biblical exegesis available for reflection during the Easter season by commenting on the Gospel stories of the risen Christ Adapted from back cover **Great Preaching on the Resurrection**, 1984 Nineteen sermons on the resurrection of Christ taken from the pages of *The Sword Of The Lord* **Women Preaching** Eunjoo Mary Kim, 2009-08-01 Considering the lack of resources that exists in the study of women s preaching Kim makes a very significant contribution to the development of homiletics as it joins together the history of women preachers with theological reflection from other women preachers as well as herself It is the author s hope that this book will provide a broader and deeper basis for the theology of preaching as well as practical ways in which preachers can improve their own preaching by looking at a woman s perspective Kim s ground breaking book is the first comprehensive narrative of women preachers from the Second Testament to the Second Millennium Through Kim s eyes we see women as a constant and forceful if often subversive presence in Christian preaching After focusing on the medieval period the Reformation and the early twentieth century the author brings her autobiography close to the surface as she leads us to consider women and the politics of God in the colonial and post colonial eras with a special focus on Asia The book climaxes with a call to envision preaching as partnership with God that facilitates partnership in the church and world in the service of liberation Ronald J Allen Nettie Sweeney and Hugh Th Miller Professor of Professor of Preaching and New Testament Christian Theological Seminary Indianapolis Indiana Kim s exciting exploration of the history of women preachers illuminates the remarkable perseverance of God and the women who partner with God to bring words of peace and transformation to the world Those churches that continue to deny women s preaching do more than simply perpetuate an inequality They also quench the Spirit who years to transform us co workers in the liberative work of God Cliff Guthrie Associate Professor of Homiletics and Pastoral Studies Bangor Theological Seminary Bangor Maine **Conversations with Barth on Preaching** Bishop William H. Willimon, 2010-09-01 One of today s greatest preacher theologians engages one of the twentieth century s greatest teacher theologians on the meaning of preaching Readers of William H Willimon s many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth s work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth s understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth s thought not just on the meaning but the practice of preaching as well

The Risen Christ: a Sermon [on 1 Cor. Xv. 32] Preached ... After the Death of J. McL. Campbell, D.D. Robert

Herbert STORY,1872 **Preaching Gospel** Charles L. Campbell,Clayton J. Schmit,Mary Hinkle Shore,Jennifer Copeland,2016-08-30 Teaching preaching like preaching itself is a noble endeavor After nearly four decades of teaching Richard Lischer has sent legions of preachers across the world to preach gospel This volume pays tribute to his faith filled life of preaching and teaching The contributors some of whom were taught by Lischer have received many laurels themselves so readers will find in these pages wisdom for preaching from many quarters Some authors include sermons with helpful commentary about the preaching exercise some offer essays to illuminate the task of sermon writing all acknowledge the influence of Richard Lischer on their preaching and teaching endeavors The Resurrection of Christ the Justification of Missions Julius Hawley Seelye,1873 **Epiphanies of the Risen Lord** George Dana Boardman,1879 Give Them Christ Stephen Seamands,2012-04-08 Much preaching today begins with the hearer s felt needs and then moves to how Christianity can solve those problems But this approach often results in trite Christologies that merely use Jesus as a means to an end or a vehicle for self improvement While preachers might not dispense with Christ altogether other things subtly take center stage and become more important than Christ himself Pastoral theologian Stephen Seamands issues a stirring call to rediscover the centrality of Christ in preaching Deftly blending doctrine and praxis he revitalizes preaching by focusing on five key dimensions of Jesus work his incarnation crucifixion resurrection ascension and return Seamands highlights how preaching Christ crucified and risen speaks profoundly to the deepest dimensions of human existence Addressing both the what and the so what this exposition helps church leaders declare afresh that Christ alone is supremely sufficient for Christian faith and practice Pastors and preachers will find here significant resources for their churches worship life together and mission in the world Become captivated once again by the glory of Christ and find yourself compelled to proclaim his work anew **In the Image of Christ Crucified and Risen, in the Service of the Community** Josef Meili,1986

Sacramental Presence Ruthanna B. Hooke,2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body s experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ s dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event *Sermons on the Offices for the Visitation of the Sick, and the Burial of the Dead* Charles James

Burton, 1872 *The Risen Christ: a Sermon Preached in Rosneath Church on the Lord's Day After the Death of John McLeod Campbell, D.D.* Robert Herbert Story, 1872 **A New Testament commentary for English readers, by various writers, ed. by C.J.
