Canadian Essay and Literature Index 1973 Andrew D. Armitage, 1975 **Colonial Identity in the Atlantic World, 1500-1800** Nicholas Canny, Anthony Pagden, 2020-12-08 The description for this book Colonial Identity in the Atlantic World 1500 1800 will be forthcoming **Staples and Beyond** Mel Watkins, 2006-10-06 This collection brings together Watkins most important scholarly articles In Staples and Beyond Watkins addresses the staple thesis of Canadian economic and political development and in particular the effort to extend Harold Innis work by giving more explicit consideration to class relations and the role of the state He considers the historical nature of Canada s economic dependency in relation to tariff barriers foreign investment the multi national corporation and wide ranging free trade and investment agreements He also examines the evolution of economics and political economy as academic disciplines and reflects on the relationship between intellectual scholarship and political activism *Walter Gordon and the Rise of Canadian Nationalism* Stephen Azzi, 1999-05-25 Walter Gordon and the Rise of Canadian Nationalism is an examination of the origins of Walter Gordon s nationalist ideology and its impact on Canada It traces his ideas from his family influences and the intellectual currents present in his early years to his work as a chartered accountant public servant and head of a small conglomerate Drawing on extensive interviews and impressive research Azzi provides not only a biography of an important political figure but a significant study of the political and intellectual controversies that Gordon and his ideas created shedding light on the larger political and economic questions of the postwar era Grounded Jon Tester, Aaron Murphy, 2020-09-15 An inspiring and eye opening memoir showing how Democrats can reconnect with rural and red state voters from Montana s three term democratic senator Senator Jon Tester is a rare voice in Congress He is the only United States senator who manages a full time job outside of the Senate as a farmer But what has really come to distinguish Tester in the Senate is his commitment to accountability his ability to stand up to Donald Trump and his success in time and again winning red state voters back to the Democratic Party In Grounded Tester shares his early life his rise in the Democratic party his vision for helping rural America and his strategies for reaching red state voters Leaning deeply into lessons on the value of authenticity and hard work that he learned growing up on his family s 1 800 acre farm near the small town of Big Sandy Montana the same farm he continues to work today with his wife Sharla Tester has made his political career a testament to crossing the divides of class and geography The media and Democrats too often discount rural people as Trump supporters Tester knows better His voice is vital to the public discourse as we seek to understand the issues that are important to rural and working class America in not just the 2020 election but also for years to come A heartfelt and inspiring memoir from a courageous voice Grounded shows us that the biggest threat to our democracy isn t a president who has no moral compass It s politicians who don t understand the value of accountability and hard work Tester demonstrates that if American democracy is to survive we must put our trust in the values that keep us grounded *Multinationals and the Peaceable Kingdom* Harry Antonides, 1978 *Reports*
