Preface to Public Administration Richard Joseph Stillman,1999 **Preface to Public Administration** Richard Joseph Stillman,1991 *Public Administration* Norma M. Riccucci,2010-06-16 Is public administration an art or a science This question of whether the field is driven by values or facts will never be definitively answered due to a lack of consensus among scholars The resulting divide has produced many heated debates however in this pioneering volume Norma Riccucci embraces the diversity of research methods rather than suggesting that there is one best way to conduct research in public administration Public Administration examines the intellectual origins and identity of the discipline of public administration its diverse research traditions and how public administration research is conducted today The book s intended purpose is to engage reasonable minded public administration scholars and professionals in a dialogue on the importance of heterogeneity in epistemic traditions and to deepen the field s understanding and acceptance of its epistemological scope This important book will provide a necessary overview of the discipline for graduate students and scholars *Homeland Security Handbook* Jack Pinkowski,2008-01-24 Blinded by emotional rhetoric political posturing and genuine fear previous efforts to defend our way of life against aggressors intent on inflicting personal and economic destruction have proven in hindsight to be misguided panicked and reactionary Evaluation and assessment to date is largely focused on reviewing government documents doin The Tools of Government Odus V.
