

Prelude to the Enlightenment

French Literature 1690-1740

GEOFFROY ATKINSON
ABRAHAM C. KELLER

Prelude To The Enlightenment French Lit

Raymond Grew, Roger Geiger

Prelude To The Enlightenment French Lit:

Prelude to Enlightenment Geoffroy Atkinson, 1971 **Prelude to the Enlightenment** Geoffroy Atkinson, Abraham Charles Keller, 2023-01-31 First published in 1971 *Prelude to the Enlightenment* is a study of the attitudes of French writers during the transition from the Classical Age to the Enlightenment. Professors Atkinson and Keller investigate the increasing vogue for emotionalism, weeping and confession and attitudes towards love and morality. On a more intellectual plane, the approaches of authors of the time to literary questions and their treatment of the world of reality. This book presents a wide range of quotations from many writers of the period 1690 to 1740 among them Molière, l'Abbé Prévost, Saint-Evremond, the novelists Robert Chasles, Mme Aubin, Mme de Tencin and la Comtesse d'Aulnoy, the remarkable and little known writer Jean Buvat who worked as a copyist in the Royal Library and wrote the *Journal de la Régence* and l'Abbé Pluche, author of *Le Spectacle de la Nature*. Some of these are well known, some virtually unheard of, but all provide clues to the character of the age. By combining their own comments with contemporary quotations, Professors Atkinson and Keller give modern readers a feeling for the atmosphere of the period that followed the Golden Age and a deeper appreciation of the literature of the Enlightenment itself.

Prelude to the Enlightenment Geoffroy Atkinson, Abraham C. Keller, 1970 *Die Aufklärung im Rahmen des neuzeitlichen Rationalismus* Panajotis Kondylis, 2015-07-01 Im Zeitalter der Aufklärung schreibt Kondylis, stellt sich das Problem der Sinnlichkeit auf eine besonders dringliche Weise und so auch dasjenige ihrer Beziehung zum Geist. Die Aufklärung musste diese Frage so nachdrücklich stellen, da in der Rehabilitation der Sinnlichkeit eine ihrer wichtigsten weltanschaulichen Waffen im Kampfe gegen die theologische Ontologie und Moral bestand. Zugleich lag hier einer der Nervenpunkte neuzeitlichen Denkens überhaupt. Denn die Rehabilitation der Sinnlichkeit warf ungeheure logische Probleme auf, deren Bewältigung um so dringender war, je unumgänglich und unentbehrlicher die genannte Rehabilitation in dieser oder jener Form erschien. Geleitet durch die Grundannahme, Denken sei wesentlich polemisch, nimmt Kondylis die verschiedenen Positionen dieser Diskussionen unter die Lupe, denn die Vielfalt der Antworten, der sich die Frage nach der Einheit der Aufklärung stellen muss, erschließt sich am besten von den polemischen Bedenken der Fragenden aus.

Die französische Literatur Heinz Willi Wittschier, 2014-08-20 Der erste Teil des Buches, die Einführung, ist eine Literaturgeschichte mit Überblick über die Textentwicklung vom Mittelalter bis zur Gegenwart. Der zweite Teil der Studienfächer bietet Forschungsmaterial zu Epochen, Strömungen, Gattungen, Formen, Autoren, Autorinnen und gibt Lesern französischer Literatur Studierenden und Wissenschaftlern Datenmaterial für Weiterbildung, Studium, Examen, Forschung und Lehre an die Hand.

The English Novel, 1700-1740 Robert Letellier, 2003-02-28 The English novel written between 1700 and 1740 remains a comparatively neglected area. In addition to Daniel Defoe, whose *Robinson Crusoe* and *Moll Flanders* are landmarks in the history of English fiction, many other authors were at work. These included such women as Penelope Aubin, Jane Barker, Mary Davys and Eliza Haywood, who made a considerable contribution to widening the range of emotional responses in

fiction These authors and many others continued writing in the genres inherited from the previous century such as criminal biographies the Utopian novel the science fictional voyage and the epistolary novel This annotated bibliography includes entries for these works and for critical materials pertinent to them The volume first seeks to establish the existing studies of the era along with anthologies It then provides entries for a wide ranging selection of works which cover fictional theoretical historical political and cultural topics to provide a comprehensive background to the unfolding and understanding of prose fiction in the early 18th century This is followed by an alphabetical listing of novels their editions and any critical material available on each The next section provides a chronological record of significant and enduring works of fiction composed or translated in this period The volume concludes with extensive indexes
