Premeditated Murder:

The Allure of Premeditated Murder Jack Levin,, Julie B. Wiest,2018-10-18 Any murder causes pain and suffering that ripple through families and communities of both the victims and the perpetrators but premeditated murders cause the worst kind of damage The Allure of Premeditated Murder is about the worst kinds of premeditated homicide in which the perpetrator plans an attack over a period of days weeks or months leaving behind massive carnage and unspeakable suffering Drawing on extensive research and interviews with murderers sociologists Jack Levin and Julie B Wiest help readers understand why such vicious murders occur and what we can do to minimize their incidence Throughout the book theyexamine why people engage in acts of premeditated murder planning and implementing terrible violence against others from the perpetrator s viewpoint By juxtaposing the motivations for these hideous homicides against everyday social circumstances these often baffling crimes are explained in an easy to understand manner that paves the way for promising solutions In the process of examining the characteristics of premeditated murder the book also addresses those questions that are commonly asked about this kind of violent crime but usually unanswered How could a killer have enjoyed his murderous rampage when he committed suicide right afterward Why do sadistic killers sometimes regard their murders as great accomplishments What can be done to effectively reduce the likelihood of this kind of homicide As violence remains such a prominent and troubling topic nationwide The Allure of Premeditated Murder successfully explores the reasons behind the worst violence as well as the most promising solutions

Premeditated Murder Erica J Whelton,2020-04-11 When JOANNA WEBBER s husband dies in a drunk driving crash with his secret girlfriend six years ago he leaves behind massive debt and a mess of lies She starts working as a medium to get herself out of this financial hole he dug them into Long blocked to save her sanity she never could figure out how to regain her psychic powers and initially leans on her research skills to fake her readings with clients hoping one day those powers will return The fake thing was easy as she found that people have a propensity to overshare online and many have a lackadaisical attitude towards privacy This allowed her and her assistants to find interesting tidbits and stories giving her

enough information to be believable She quickly becomes a semi celebrity doing individual and group readings JEREMY LANDON a local pharmaceutical executive contacts her to help solve a murder that the police have closed the case on She is stunned by the request and isn't sure she should take it on as she doesn't feel she has the proper experience or skills to investigate a murder except maybe one She is the only one who can see him His death was ruled a laboratory accident but he swears he was sabotaged Joanna must use her research skills and her charm to wade through the list of suspects to solve Jeremy's death giving him peace in his death and renew her long blocked psychic abilities and maybe give her some closure from her own husband's betrayal
