novel following a woman who becomes an internet folk hero in the most unexpected way catapulting her into fame and influence just as she's finally beginning to reckon with her complicated past. Lola Treasure Gold can't figure out her life. She's broke, unemployed, and back in her childhood home, a crumbling cottage in the Hollywood Hills. Worse, unspeakably worse, one of her closest friends has just died. So nobody is more surprised than Lola when a jackpot falls in her lap: she stars in a viral video opening a surprising path for her to become a self-help guru. With the encouragement of her other best friend Celi, still alive, thank God, Lola embraces the public interest in her perceived message. But is she a scammer or a sage? Just as Lola is telling others to be their own guiding lights, she can't seem to find hers. She's grieving, she's accused of using the notoriety of her friend's death to fuel her rise, and she's full of questions about the fate of her mother, who came to America pregnant, fleeing China's one-child policy, got deported when Lola was eight, and now has totally disappeared. Driven by an exuberant, searching spirit, Jade Chang's kaleidoscopic new novel is a deep examination of the ways we commodify belief, the power and precarity of fame, and the delicious terror of being truly seen. What a Time to Be Alive asks if we can look honestly at the world and still love it: the answer is a brilliant, resounding yes.

Grace & Style Grace Helbig, 2016-02-02 From the #1 New York Times bestselling author of *Grace's Guide*, comedian and YouTube personality comes a beautifully illustrated tongue-in-cheek book about style that lampoons fashion and beauty guides while offering practical advice in Grace Helbig's trademark sweet and irreverent voice. It's clear to see I'm a style icon, remember you can't spell icon without con. I love clothes, accessories, and makeup as much as the next lady. Man, French bulldog in a sweater or child whose parents dressed her in a couture Halloween costume, but telling people how they should look doesn't suit me. Clothes, pun, I have no authority in that department. I barely even shop in department stores. Instead, this is a look at my own silly and nonsensical approach to style, and I promise only some of it is about sweatpants. This book is one part entertainment, one part irreverent fashion fun, and one part personal experience, including My closet staples and jewelry MVPs and what's actually in my makeup bag. All about BLTs and BFFS, that is, Better Looking T-Shirts and Best Feet Friends. The bad hair day character wheel. The Ten Commandments of online shopping. A handy flowchart to help you decide: Should I actually buy this? Red carpet ridiculousness. Grace. Expectations. What your denim says about you. And MORE. I'm not stylish. I'm self-aware. I'm not polished. I'm perceptive. I'm not trendy, but I love trying. Because when it comes down to it, style is just a simple way of saying, I showered.
