A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance **Pioneers in the American West 1780-1840** Barbara Currie, 1969 **Writings on American History**, 1964 *The Growth of the American Thought* Merle Eugene Curti, Hailed as a pioneer achievement upon its original publication and awarded the Pulitzer Prize in history in 1944 *The Growth of American Thought* has won appreciative reviews and earned the highest regard among historians of the national experience With his elaboration of the complex interrelationships between the growth of American thought and the whole American social milieu Curti creates not only an intellectual history but a social history of American thought **Essays on the History of the American West** Stephen Salsbury, 1975 **National Union Catalog, 1982**, 1983 **A Manual of American Literature** John Seely Hart, 1874 *A Catalogue of Books, Belonging to the Lower Hall of the Central Department in the Classes of History, Biography and Travel, Etc. 2. ...* Ed BOSTON, Massachusetts.
