Place Me with Your Son, Third Edition James W. Skehan, SJ, 1991-06-01 Arranged as a twenty four week retreat in four phases this edition is a guide to The Spiritual Exercises of St Ignatius Loyola It incorporates centering exercises of awareness patterned on Eastern or Buddhist meditation practices and devotional exercises similar to or drawn from those found in Sadhana by the late Anthony de Mello SJ Poems and prayers by Rainer Maria Rilke Rabindranath Tagore T S Eliot Ezra Pound Edith Sitwell and others are also included as well as materials from Teilhard de Chardin s Divine Milieu Director's Guide to Place Me with Your Son James W. Skehan, 1994 From advance planning to advice on bridging the return from the twenty four week retreat to everyday life this Director s Guide provides assistance to those organizing Ignatian retreats based on James W Skehan s Place Me with Your Son and those wishing to deepen the previous retreat experience This volume explains the foundations of each phase of the retreat and suggests ways to prepare for the transitions between the phases Skehan reviews the basic concepts anticipates problems and opportunities that may arise in each week offers possible responses to exercitants questions and interprets Scriptural passages for modern readers The Guide also includes a list of recommended supplemental readings and guidelines for integrating the retreat into the liturgical year The Ignatian Way Charles J. Healey, 2009 Although many books have been written on Ignatian spirituality most focus on highly specific and scholarly details rendering them too academic and specialized for the average reader This book remedies this problem by compiling a more general guide to the basic aspects of Ignatian spirituality Addressing everything from the life of St Ignatius Loyola to his Spiritual Exercises to methods of dealing with contemporary world issues in a Jesuit spirit it offers a comprehensive yet conversational approach to Ignatian spirituality Whether readers are studying or teaching at a Jesuit school seeking spiritual direction on a retreat discerning a possible vocation to the Society of Jesus or simply seeking more exposure to Ignatian spirituality this book is an invaluable guide Book jacket Pierre Teilhard De Chardin on People and Planet Celia Deane-Drummond, 2017-07-05 Humanity s relationship to nature is central to the work of Pierre Teilhard de Chardin an influential priest and scientist of the twentieth century Teilhard believed that spiritual development must be viewed alongside material development and that evolutionary theory lies at the heart of humanity s understanding of its place in the world Pierre Teilhard de Chardin on People and Planet argues that Teilhard s cosmic mysticism and intense interest in both cosmological and evolutionary sciences are highly relevant to current debates about how best to construct a meaningful spirituality The book offers a critical revision of Teilhard s thought in the light of current debates in evolutionary science eco theology and environmental ethics The essays present fresh interpretations of Teilhard s work and point to the significance of his thought in the contemporary study of science and religion **Sacred Listening** James L. Wakefield, 2006-08-01 A profound call to Christian discipleship An intensive course in Christian faith A creative freedom to serve God that is deeply grounded in Scripture These are ways to describe Sacred Listening James L Wakefield s adaptation of the classic Spiritual
