## **Places Of Delight The Pastoral Landscape:**

PLACES OF DELIGHT ,1988      **Places of Delight** Robert C. Cafritz, Lawrence Gowing, David Rosand, 1990-01-01

**Landscape and Western Art** Malcolm Andrews, 1999 This book explores many issues raised by the range of ideas and images of the natural world in Western art since the Renaissance The whole concept of landscape is examined as a representation of the relationship between the human and natural worlds Featured artists include Claude Freidrich Turner Cole and Ruisdael and many different forms of landscape art are addressed such as land art painting photography garden design panorama and cartography      **Green Worlds in Early Modern Italy** Karen Hope Goodchild, April

Oettinger, Leopoldine Prosperetti, 2025-10-01 The green mantle of the earth This metaphor is a poetic image that borrows from the vocabulary of weaving and epitomizes the Renaissance interest in fashioning green worlds in art and poetry Here it serves as a motto for a cultural poetics that made representing living nature increasingly popular across Italy in the Early Modern period The explosion of landscape art in this era is often associated with the rise of interest in the literary pastoral narrowly defined but this volume expands that understanding to show Green s broad appeal as it intrigued audiences ranging from the ecclesiastic to the medical and scientific to the humanistic and courtly The essays gathered here explore the expanding technologies and varied cultural dimensions of verzure and verdancy in the Italian Renaissance and thus the role of visual art in shaping the poetics and expression of greenery in the arts of the 16th century and beyond      Art and Social

Change Klare Scarborough, Susan Dixon, 2015-10 The scholarly essays in this book focus on the theme of art and social change in Western art from the Renaissance to about 1950 The edited volume includes contributions by scholars with a range of professional backgrounds and affiliations Their essays address some aspect of the theme and engage with one or more artworks in the collection of La Salle University Art Museum Topics include religious iconography portraiture landscape journal illustrations and Modernist abstraction These essays on the collection add to the body of scholarship which situates works of art in contexts that help reveal and explain changes in social political or cultural values The book is lavishly illustrated with 104 color illustrations      **The Ashgate Research Companion to Dutch Art of the Seventeenth Century**

Wayne Franits, 2017-07-05 Despite the tremendous number of studies produced annually in the field of Dutch art over the last 30 years or so and the strong contemporary market for works by Dutch masters of the period as well as the public s ongoing fascination with some of its most beloved painters until now there has been no comprehensive study assessing the state of research in the field As the first study of its kind this book is a useful resource for scholars and advanced students of seventeenth century Dutch art and also serves as a springboard for further research Its 19 chapters divided into three sections and written by a team of internationally renowned art historians address a wide variety of topics ranging from those that might be considered traditional to others that have only drawn scholarly attention comparatively recently      *Titian's Landscapes* Yen-min Chou, 1999      *Landscapes of the Imagination in Renaissance Venice* Barbara Lynn-Davis, 1998
