A Novel Obsession Caitlin Barasch, 2022-03-15 A Good Morning America Buzz Pick and a BuzzFeed and New York Post Best Book of 2022 If you've ever felt tempted to keep tabs on a partner's ex on Instagram and then found yourself down a rabbit hole of their vacation posts from three years ago this debut novel which follows a 24 year old New Yorker named Naomi who becomes obsessed with her boyfriend's former girlfriend is for you Vogue Best New Beach Reads Twenty four year old New York bookseller Naomi Ackerman is desperate to write a novel but struggles to find a story to tell When after countless disastrous dates she meets Caleb a perfectly nice guy with a Welsh accent and a unique patience for all her quirks she thinks she's finally stumbled onto a time honored subject love Then Caleb's ex girlfriend Rosemary enters the scene Upon learning that Rosemary is not safely tucked away in Caleb's homeland overseas but in fact lives in New York and also works in the literary world Naomi is threatened and intrigued in equal measure If they both fell for the same man what else might they have in common The more Naomi learns about Rosemary the more her curiosity consumes her Before she knows it her casual Instagram stalking morphs into a friendship under false pretenses and becomes the subject of her nascent novel As her lies and half truths spiral out of control and fact and fiction become increasingly difficult to untangle

Naomi must decide what and who she's willing to sacrifice to write the perfect ending Brave Together: Lead by Design, Spark Creativity, and Shape the Future with the Power of Co-Creation Chris Deaver, Ian Clawson, 2023-12-05 Brave Together is a powerful book that can transform the lives of leaders, creators, or anyone looking to shape the future. It comes from the thought leaders who helped Apple shift the culture from thinking different to working different together. Groundbreaking. Get ready to be inspired and join the co-creation movement. Marshall Goldsmith, Thinkers50, 1 Executive Coach and New York Times bestselling author of The Earned Life. Brave Together is an exhilarating exploration of genuine collaboration where every voice matters and every idea is a potential catalyst for transformation. Daniel H. Pink, 1 New York Times bestselling author of Drive, To Sell is Human, and The Power of Regret. How did Apple overcome a culture of secrecy? How did Pixar out-innovate Disney? Why do companies kill creativity? Does Shark Tank teach us something about the way we pursue success that isn't true? We've been told that working harder and smarter is the only way to succeed in business and life. But it's not true. Hustle culture is causing burnout and pain in our lives, making us feel divided. What if instead we focused on working creatively with others? And asked, How can we shape cultures people love? There is hope in co-creation. Brave Together is a deep exploration into how we can live and lead as co-creators, filled with unexpected stories, powerful principles, and a future-oriented framework. The authors have pressure-tested this work with startups and Fortune 500s, including Apple. Coaching leaders how to reimagine their approach to culture, converting creative ideas into billion-dollar solutions with the help of these patterns. The Mirror Test: Take ownership of your reality and your creative identity. The Hero's Sacrifice: Break free of ego to connect with others in inspiring ways. Become the Future: Create a synthesis manifesting the best in mind, heart, and spirit. Chris Deaver and Ian Clawson have written a handbook that challenges the status quo approach to leadership, work, and culture. It offers the path to a bright future that isn't self-made but shared.
