The Global Football Industry James J. Zhang, Brenda G. Pitts, 2018-01-29 In recent years football's status as the world's sport has shown little sign of waning. From increasing participation at grassroots levels and to the highly lucrative media rights deals secured by the top elite clubs, the game appears to be thriving as it continues to excite and enthrall billions of people around the globe. Nevertheless, there are a number of challenges and opportunities facing the football industry today that warrant further examination. This book brings together leading international researchers to survey the current state of the global football industry, exploring contemporary themes and issues in the marketing of football around the world. With contributions from Europe, Asia, and the Americas, it discusses key topics such as football club management, the economics of the football industry, match fixing, social media, fan experiences, the globalized marketplace, and the growing popularity of the women's game. Offering insights for researchers, managers, and marketers who are looking to stay ahead of the game, *The Global Football Industry: Marketing Perspectives* is essential reading for anyone with an interest in international sport business.

Encyclopedia of Sports Management and Marketing Linda E. Swaine, Mark Dodds, 2011-08-08 This four-volume set introduces on the management side principles and procedures of economics, budgeting, and finance; leadership, governance, communication, business law, and ethics; and human resources practices, all in the sports context. On the marketing side, this reference resource explores two broad streams: marketing of sport and of sport-related products, promoting a particular team or selling team and sport-related merchandise, for example, and using sports as a platform for marketing non-sports products, such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Together, these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today, providing an invaluable print or online resource for student researchers.

Sport Marketing Bernard James Mullin, Stephen Hardy, William Anthony Sutton, 2007 This student text provides a foundation of theory and principles for those seeking sports management positions. It provides an overview of the reasons and foundations for sport marketing, as well as theoretical and research issues, and why market segmentation is important.
