Pioneer Square Seattles Oldest Neighborhood:

Pioneer Square Mildred Tanner Andrews, 2005 This fascinating history weaves together first person accounts photographs and varied cultural perspectives to shed light on the birthplace of modern Seattle It reveals that Pioneer Square has always been a barometer of Seattle s health and an incubator for trends that characterize the city today In 1852 a group of settlers who had spent the winter on Alki Beach relocated to the east side of Elliott Bay and chose the only flat area along the shoreline for the first settlement in downtown Seattle Pioneer Square Called Djicjila letc little crossing over place by friendly Duwamish Indians it was near the heart of their ancient homeland By 1853 Henry Yesler s steam powered sawmill was processing and exporting timber from the densely forested hillsides Other businesses sprang up near the mill making Seattle the region s major commercial center and a magnet for workers and entrepreneurs The assimilation of people of diverse ethnic cultural and economic backgrounds continues today as one of Pioneer Square s defining characteristics After the Great Fire of 1889 Seattle rallied to build a modern city of brick and stone Pioneer Square rose quickly from the ashes with elegant brick buildings that still give the area an architecturally harmonious feeling The district formed the heart of the city upon the arrival of the Great Northern Railroad and during the Klondike Gold Rush As the population exploded city engineers scrambled to regrade steep hills and fill in tide flats to make them suitable for development In the early twentieth century overcrowded Pioneer Square burst at its seams the downtown business district moved north industries surged south onto reclaimed tide flats and Chinatown and Japantown spread east into what is now the International District As Pioneer Square deteriorated a local minister dubbed it Skid Road applying the name of the mill logslide now Yesler Way to people on the skids The term later entered the national vernacular as a synonym for urban slum From the late 1950s the neighborhood became a battleground between advocates of urban renewal and those who envisioned a restored district of handsome buildings outdoor cafes and an easy mingling of artists merchants and the down and out Architects gallery owners activists and many others recognized that Pioneer Square was not only a place of beautiful buildings but a place of spirit as well In 1971 the City of Seattle created the thirty block Pioneer Square Historic District the first designated landmark district in the city In the ensuing decades the neighborhood which never lost its Skid Road identity became a vibrant center for the arts and a hub of regional transit urban living and professional sports *Preserving Western History* Andrew Gulliford, 2005-08-15
