■ EDITED BY RICHARD SIEBURTH ■

Pisan Cantos

sir Walter Scott (bart.)

Pisan Cantos:

The Pisan Cantos Ezra Pound, 2003 At last a definitive paperback edition of Ezra Pound's finest work Readings in the Cantos Richard Parker, 2022-07-01 The three volumes of Readings in the Cantos bring together in a ground breaking format a number of critical readings by world renowned scholars of the central modernist long poem The Cantos of Ezra Pound Each contributor approaches either a single Canto or a defined small group of Cantos in isolation providing a clear informative and interpretive reading that includes an up to date assessment of sources and an idea of recent critical approaches Together the contributors offer a remarkably diverse reading of The Cantos that at the same time demonstrates the coherence of Pound's text A Companion to The Cantos of Ezra Pound Carroll F. Terrell, 1993-04-16 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos **Ezra Pound and Poetic Influence** Helen May Dennis, 2000 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound The volume commences with five essays on matters to do with translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies The next five essays consider different influences on Pound's poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry The following five essays explore Pound's influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound's political poetic thought The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time *Association and the Cantos of Ezra Pound* Edgar Mungen Glenn, 1955 **Reading the Cantos** Noel Stock, 1966 *The Cantos of Ezra Pound* Ezra Pound, 1996 The Cantos of Ezra Pound is the most important epic poem of the twentieth century *The Cantos of Ezra Pound* Eugene Paul Nassar, 1975 **A Guide to the Cantos of Ezra Pound** William Cookson, 2001 In this essential guide to one of the most difficult yet rewarding poems of the twentieth century William Cookson who began corresponding with Pound as a schoolboy in 1957 draws on a deep and intimate knowledge of Pound's life and work This edition incorporates much new information and has been substantially revised and expanded

William Cookson gives lucid critical overviews to the various sections of the poem clarifying its purpose and structure and explaining the views on literature history and economics that inform Pound's poetry. His detailed commentary on each canto addresses the major stumbling blocks for readers by translating foreign phrases, identifying quotations and explaining allusions.
