Plain People:

Plain Thoughts for Plain People. The Rock. The Church. Altar, Priests, and Sacrifice. By a Protestant, 1865 Shakespeare's Plain People Alice Caroline Witherspoon, 1944 School Life, 1950 Messiah Pulpit ,1899 Contains text of sermons delivered by M J Savage and others in New York City **Appearance Bias and Crime** Bonnie Berry, 2019-04-11 The book offers a new way of examining crime criminal victimization and crime control through the lens of appearance bias It covers timely topics such as human trafficking terrorism racial profiling and the effects of inequality on appearance and it offers policy and legislative recommendations and discussions of social movements on the North American Great Plains Geoff Cunfer, Bill Waiser, 2016-10-25 The near disappearance of the American bison in the nineteenth century is commonly understood to be the result of over hunting capitalist greed and all but genocidal military policy This interpretation remains seductive because of its simplicity there are villains and victims in this familiar cautionary tale of the American frontier But as this volume of groundbreaking scholarship shows the story of the bison s demise is actually guite nuanced Bison and People on the North American Great Plains brings together voices from several disciplines to offer new insights on the relationship between humans and animals that approached extinction The essays here transcend the border between the United States and Canada to provide a continental context Contributors include historians archaeologists anthropologists paleontologists and Native American perspectives This book explores the deep past and examines the latest knowledge on bison anatomy and physiology how bison responded to climate change especially drought and early bison hunters and pre contact trade It also focuses on the era of European contact in particular the arrival of the horse and some of the first known instances of over hunting By the nineteenth century bison reached a tipping point as a result of new tanning practices an early attempt at protective legislation and ventures to introducing cattle as a replacement stock The book concludes with a Lakota perspective featuring new ethnohistorical research Bison and People on the North American Great Plains is a major contribution to environmental history western history and the growing field of transnational Harper's New Monthly Magazine ,1875 history **Every Other Saturday** ,1884 Wages and Tariffs Ezekiel J.
