Success With Reading Comprehension

Name _____

The Milky Way

The main idea of a story tells what the story is mostly about. Find the main idea.

What do you think of when you hear the words, "Milky Way"? Is candy corn? Well, there is another Milky Way, and you can find it in outer space. The Milky Way is a spiral-shaped galaxy with billions of stars. One of those stars is the sun, and planets orbit it. Even here on Earth, on a clear night, you can see the Milky Way. It is called that because so many stars are so close together that they look like a single line of light. However, if you looked through a telescope, you would see that it is made up of thousands of stars.

Complete the main idea oval and each detail about the story.
