VGC: The 2025 Guide to Video Games 1981 Media Ltd,2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year in review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation; you see, our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

The Value Line Investment Survey, 2006 **Xbox Series X: Learning the Essentials Features** Edward Marteson,2020-10-04 Are you very interested in gaming? If yes, you might be thinking about a lot of things, and one of them might be to buy the new Xbox Series X, the recent installation in the Xbox series, and without a doubt, it is one of the ongoing crazes at the moment. The company is very much competitive, and video gaming consoles are their forte. One of the most powerful consoles out there at the moment is the Xbox X, and it is going to change the way that you view consoles, and it is going to make you do everything that you want in the process. It is a good console that you can use for countless games available for you. It is quite a bold choice for you to make, and it is something that would be able to support all of the exclusives that will be released in the future, which is a definite advantage at the same time. It is the best deal out there in the market, and something that gives you good value for your money as well. It will be available to you for countless reasons, and you might as well take advantage of that and see to it that you get to know more about it. This book will be all about the Xbox Series X, everything that you need to know about it, and more on the specifications that you might be interested in, so that you will know exactly how powerful the said device is, so you can take proper advantage of it to the best that you possibly can.
