Uberland Alex Rosenblat, 2018-10-23 Silicon Valley technology is transforming the way we work and Uber is leading the charge. An American startup that promised to deliver entrepreneurship for the masses through its technology, Uber instead built a new template for employment using algorithms and Internet platforms. Upending our understanding of work in the digital age, *Uberland* paints a future where any of us might be managed by a faceless boss. The neutral language of technology masks the powerful influence algorithms have across the New Economy. *Uberland* chronicles the stories of drivers in more than twenty-five cities in the United States and Canada over four years, shedding light on their working conditions and providing a window into how they feel behind the wheel. The book also explores Uber's outsized influence around the world; the billion-dollar company is now influencing everything from debates about sexual harassment and transportation regulations to racial equality campaigns and labor rights initiatives. Based on award-winning technology ethnographer Alex Rosenblat's firsthand experience of riding over 5,000 miles with Uber drivers, daily visits to online forums, and face-to-face discussions with senior Uber employees, *Uberland* goes beyond the headlines to reveal the complicated politics of popular technologies that are manipulating both workers and consumers.

Easy Weekend Getaways in the Hudson Valley &

Catskills Carly Fisher, 2020-04-14 Monday can wait. Take a break from the chaos with a perfectly planned upstate getaway. The Hudson Valley and Catskills are destinations New Yorkers can't get enough of. Unlike typical travel guides, *Easy Weekend Getaways in the Hudson Valley Catskills* ditches the well-worn antiquing, golfing, and family-friendly activities for a focus on what's really drawing creative and trend-forward travelers up north: experimental art, incredible agriculture, action-packed outdoor adventures, artisanal producers and makers, bizarre and fascinating historical attractions, rustic-chic bed and breakfasts, holistic retreats, and more—all hidden within a stunning landscape that delights year-round. While these regions continue to gain popularity with city dwellers trying to make a break for it, it has always been a complicated DIY process. This guide takes the work out of piecing together an itinerary so that overworked travel obsessives can get the most out of their precious time off with these curated upstate getaways.

The Cambridge Handbook of U.S. Labor Law for the Twenty-First Century Richard Bales, Charlotte Garden, 2019-12-05 Over the last fifty years in the United States, unions have been in deep decline while income and wealth inequality have grown. In this timely work, editors Richard Bales and Charlotte Garden, with a roster of thirty-five leading labor scholars, analyze these trends and show how they are linked. Designed to appeal to those being introduced to the field as well as experts seeking new insights, this book demonstrates how federal labor law is failing today's workers and disempowering unions: how union jobs pay better than nonunion jobs and help to increase the wages of even nonunion workers; and how, when union jobs vanish, the wage premium also vanishes. At the same time, the book offers a range of solutions, from the radical, such as a complete overhaul of federal labor law, to the incremental, including reforms that could be undertaken by federal agencies on their own.

Qualitative empirical research reveals that the narratives and real life experiences defining gig work have concrete implications for law **The Unexpected Economics of Minimum Wages** Michael Reich, 2025-08-11 This book presents a comprehensive analysis of the effects of minimum wages Michael Reich's cutting edge research findings challenge traditional approaches to the topic exploring the effects of minimum wage policies across different sectors groups and demographics

Hustle and Gig Alexandra J. Ravenelle, 2019-03-12 Choose your hours choose your work be your own boss control your own income Welcome to the sharing economy a nebulous collection of online platforms and apps that promise to transcend capitalism Supporters argue that the gig economy will reverse economic inequality enhance worker rights and bring entrepreneurship to the masses But does it In *Hustle and Gig* Alexandra J. Ravenelle shares the personal stories of nearly eighty predominantly millennial workers from Airbnb Uber TaskRabbit and Kitchensurfing Their stories underline the volatility of working in the gig economy the autonomy these young workers expected has been usurped by the need to maintain algorithm approved acceptance and response rates The sharing economy upends generations of workplace protections such as worker safety workplace protections around discrimination and sexual harassment the right to unionize and the right to redress for injuries Discerning three types of gig economy workers Success Stories who have used the gig economy to create the life they want Strugglers who can't make ends meet and Strivers who have stable jobs and use the sharing economy for extra cash Ravenelle examines the costs benefits and societal impact of this new economic movement Poignant and evocative *Hustle and Gig* exposes how the gig economy is the millennial's version of minimum wage precarious work Door to Door Edward Humes, 2016-04-12 Thousands of miles are embedded in almost everything we do and touch and purchase but we're scarcely aware of it A cup of Starbucks coffee materializes in front of us without any signs of the 30 000 miles it has travelled Behind the scenes there are grinding commutes a violent death every 15 minutes on an American highway and a crushing impact on the environment By delving into one week in the life of his family in suburban California their commutes traffic jams grocery stops and online shopping excursions the author of first year favorite Garbology reveals the truths and mounting challenges behind every trip we take and every click we make Freshman Common Read Indiana University Kelley School of Business *Semantic Patterns in Old English Substantival Compounds* Thomas Gardner, 1968

Lyft This Week Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lyft This Week has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lyft This Week has opened up a world of possibilities. Downloading Lyft This Week provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lyft This Week has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lyft This Week. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lyft This Week. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lyft This Week, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lyft This Week has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
