Have you ever looked to social media for life inspiration and thought that looks great but nothing online remotely relates to my chaotic life Why would you when so often the people giving advice are leading these seemingly perfect lives with their picture perfect homes and morning routines They have their lives together and don t remotely resemble your own hot mess of a life Enter Steph Pase the go to girl for all things home life motherhood health and fitness And she s the first to admit she s a hot mess too She s also scatterbrained a bit lazy and can t throw a ball to save her life So how did this former messy girl next door become renowned for cleaning routines home hacks organization tips and successful entrepreneurship It s a story far from anything you d expect In this candid vulnerable and revealing memoir Steph chronicles the key moments in her life that led her to become the powerhouse woman she is today From a chaotic childhood battling schoolyard bullying anxiety and an ADHD diagnosis for a girl in the 1990s that was almost unheard of to binge drinking eating disorders and eventually starting a successful business from her garage with a baby strapped to her chest Steph s journey from chaos to clarity continues to this day With a vulnerable confessional writing style Steph tells stories that will have you sobbing one minute and snort laughing the next Filled with actionable advice throughout this is not just another mummy memoir it s a story of perseverance growth overcoming obstacles and learning how to live your best life using the most reliable tool at your disposal YOURSELF      Webster's New International Dictionary of the English Language, Based on the International Dictionary 1890 and 1900 William Torrey Harris,Frederic Sturges Allen,1911      The African Book Publishing Record ,1998
