The Bulletproof Diet Dave Asprey,2014-12-02 In his midtwenties Dave Asprey was a successful Silicon Valley multimillionaire He also weighed 300 pounds despite the fact that he was doing what doctors recommended eating 1 800 calories a day and working out 90 minutes a day six times a week When his excess fat started causing brain fog and food cravings sapped his energy and willpower Asprey turned to the same hacking techniques that made his fortune to hack his own biology investing more than 300 000 and 15 years to uncover what was hindering his energy performance appearance and happiness From private brain EEG facilities to remote monasteries in Tibet through radioactive brain scans blood chemistry work nervous system testing and more he explored traditional and alternative technologies to reach his physical and mental prime The result The Bulletproof Diet an anti inflammatory program for hunger free rapid weight loss and peak performance The Bulletproof Diet will challenge and change the way you think about weight loss and wellness You will skip breakfast stop counting calories eat high levels of healthy saturated fat work out and sleep less and add smart supplements In doing so you ll gain energy build lean muscle and watch the pounds melt off By ditching traditional diet thinking Asprey went from being overweight and sick in his twenties to maintaining a 100 pound weight loss increasing his IQ and feeling better than ever in his forties The Bulletproof Diet is your blueprint to a better life

Fast With Me Nanette Langston Meredith,2022-12-01 Fasting for Christ during the Great Lent season gives us as Christian believers the opportunity to come into closer communion with God As we give up eating food altogether for long periods of time we also learn that this sacrifice of love is symbolic of the greater purpose of giving up our sins habits and anything that would keep us from being better followers of Christ This book is a practical Bible study manual that is designed to be either done by the individual privately with the Lord or as a group Bible study It teaches those interested in growing in faith how to

successfully do a forty day long Lenten fast All of the instructions rules and tools needed to learn how to fast for the Lord are provided in this study There is a daily meditation guide for each of the forty days of the Great Lent fast as well as a beautiful journey journal There are recipes and a sample meal plan as well to support those on this journey Fasting is an ancient spiritual discipline that has been neglected in modern times yet it holds such great spiritual power for believers to grow in their personal relationship with the risen Lord and celebrate their faith in a whole new way everyday

The Business of Aspiration Ana Andjelic,2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand s products and services create both monetary and social value
