unaware of Quicken's power and end up using only the basic features. Sometimes Quicken raises more questions than it answers. Return of capital from stock. Net worth. What are they and why do you need to know about them. Luckily Quicken 2009 The Missing Manual picks up where Quicken's help resources leave off. You'll find step by step instructions for using Quicken on your Windows PC including useful features such as budgeting, recording investment transactions and archiving Quicken data files. You also learn why and when to use specific features and which ones would be most useful in a given situation. This book helps you Set up Quicken to take care of your specific needs. Follow your money from the moment you earn it. Make deposits, pay for expenses and track the things you own and how much you owe. Take care of financial tasks online and quickly reconcile your accounts. Create and use budgets and track your investments. Generate reports to prepare your tax returns and evaluate your financial fitness. And a lot more. Quicken 2009 The Missing Manual accommodates readers at every technical level, whether you're a first time or advanced Quicken user. For a topic as important as your personal finances, why trust anything else. *Show Me Quicken 2006* Gina Carrillo, 2006. Learn how to utilize the program's many features to take control of and monitor your finances including investments, credit cards and savings, all using a visual step by step layout. This book teaches you how to get the most out of the Quicken program and better manage your financial data. *Microsoft Money 2003 For Dummies* Peter Weverka, 2002-10-24. Microsoft Money 2003 makes managing your personal finances very easy. Well, not very easy but pretty darned close to it. With Money 2003 you don't need a bookkeeper to track your finances. You don't need an accountant or financial counselor either. And you don't need to be a computer expert. All you need is to know how to use Money 2003. And that's the tricky part. Like most personal finance programs, Money 2003 is complicated. You may even argue that it's more complicated to use than it should be. After all, all you really want to do is keep track of your money, right? You're not performing brain surgery on your checkbook. Well, that's where Microsoft Money 2003 For Dummies steps in to help. Written in typical Dummies style, that is in plain English and with a healthy helping of humor, this book can help users of both the standard and deluxe editions of Money 2003 get to the heart of the program without wasting time. Don't expect to find out how Money 2003 works though; instead, expect to find out how you can manage your finances with Money 2003. Here's just a sampling of the topics you'll find covered in Microsoft Money 2003 For Dummies: Setting up checking, savings and credit card accounts. Recording your financial activity. Categorizing your spending and income sources. Balancing your account through reconciling transactions. Writing and printing checks. Paying bills online and scheduling bill payment.

Planning your finances for the years ahead Preparing for tax time and managing your investments Top Ten lists on achieving financial good health handling your finances if you re self employed and moving from Quicken to Money 2003 So whether you re in the money or just plain out of money whether you re a financial whiz or you re just learning the financial ropes
