Disney Plus In The Us Setup:

Crashing America Adam Cole, 2003-07 Ever wish you could just go Give up everything and hit the road That s what Troy Paddock did Following in the footsteps of Jack Kerouac and Hunter S Thompson this Colorado college kid grabbed one willing best friend Vinny del Sparrow and shot off in every direction of the U S Their only purpose was to party like rock stars A desert rave New York clubs Mardi Gras in the Big Easy were all part of the duo s wild ride But such an adventure filled romp does not go without a tiny bit of misadventure and mishap Extreme weather car troubles and cash shortages make the search for the party interestingly challenging Told through Paddock s eyes the reader is let into the thoughts and insights of someone whirling through life without a single care for reality and an intense lust for excitement At points the endless partying catches up with our spontaneous hero but only briefly before he is able to wrestle away from its grasp
