

### Streaming friendship

*Two teenagers, Carrie and Ben, are talking during recess.*

**Carrie:** Hey Ben, have you seen any good movies lately?

**Ben:** Nah, I haven't watched any movies in a while. I've been too busy binge-watching shows on Netflix, Amazon or Disney +.

**Carrie:** Really? I can't believe you'd choose a TV show over a good movie. There's just something special about movies that you can't get from a TV show.

**Ben:** I don't know about that. I feel like series are more engaging because they have more time to develop the characters and the storyline.

**Carrie:** But movies can tell a whole story in just a couple of hours! Plus, the cinematography and special effects are often much better than what you see on TV.

**Ben:** That's true, but sometimes it feels like movies are just trying to cram too much into a short amount of time. I feel like some movies are too rushed and the characters and plot suffer as a result. With a TV show, you can really explore different themes and plotlines in more depth.

**Carrie:** I guess that's a fair point but some series are just too drawn out. They have filler episodes and storylines that don't go anywhere. Have you seen any of the classics? Like Schindler's List, or Rear Window? You know, you can watch them on some streaming services.

**Ben:** Yeah, I've seen those. But I still prefer shows like Stranger Things or The Mandalorian. There's just so much more to dive into. I feel like series give you more time to really get to know the characters and become invested in their lives.

**Carrie:** Yeah, but with movies, you can experience a whole range of emotions in just one sitting. They can make you laugh, cry, or feel scared all in the span of two hours. Well anyway, if you're into drama, have you seen shows like Breaking Bad or The Sopranos?

**Ben:** Of course! And what about comedy? Shows like The Big Bang Theory or Friends are just classics.

**Carrie:** But you can't forget about comedies like Airplane or Hot Fuzz. Those movies are timeless.

**Ben:** I don't know, Carrie. I just feel like TV shows have more to offer these days. Series are more immersive. You can really get lost in the world and the characters' lives, and it feels like you're part of their story.

**Carrie:** I guess we'll just have to agree to disagree. But I still think movies are better.

**Ben:** And I still think series are better. But hey, at least we can both agree that streaming services are awesome.

**Carrie:** You're right about that!! What are we watching next weekend at my place then?
