University of Glasgow Calendar University of Glasgow,1969 *Historical Dictionary of Poland* George Sanford,2003

Poland has had an exceptionally turbulent thousand year history marked by extremes of national greatness and decline

including partition and foreign occupation Currently undergoing another dramatic transformation Poland has been building a democratic and market system since the fall of communism The largest and most important nation in Eastern Europe outside the ex Soviet Union is now returning to the European mainstream from which she was for long periods isolated politically and economically although not culturally Although Poland has been widely popularized in journalistic clichés in recent years because of Solidarity the Polish Pope and the like there is still much to be learned about the particular individuals and specific factors which have shaped her history in the past and which are molding her present development The dictionary strikes a judicious balance in covering past and contemporary figures as well as Poland's richly textured political social and cultural dimensions The Dictionary has more than four hundred entries and a most comprehensive and up to date bibliography It provides a stimulating and knowledgeable introduction for students scholars and librarians as well as a helpful overview guide for tourists and for those involved in teaching business politics journalism and public service
