Economic Crisis and Political Change in North Africa Azzedine Layachi, 1998-10-28 A collective effort by American and North African scholars this volume provides a comprehensive analysis of recent economic social and political events in North Africa It shows how the Maghrebi states and societies are currently at a very important junction as they try to adjust to different ways of doing things in new regional and international orders Using a political economy approach the book focuses on a series of issues raised by the interaction between economic crisis and reform on the one hand and political change or stagnation on the other The author and his contributors provide a comprehensive and up to date survey of particular value to scholars and researchers of the Arab world in general and North Africa in particular

Monarchie et islam politique au Maroc Mohamed Tozy, 1999 Ce livre dont la première édition est parue quelques mois avant la mort du roi Hassan II identifie les principaux changements en cours dans le système politique marocain en esquisse les limites et en value les chances de réussite Le système marocain est agité par une double tension qui neutralise toute velléité de transformation radicale L'enracinement d'une culture autoritaire d'abord qui vaut aussi bien pour la monarchie que pour la classe politique La centralité de la religion ensuite dans le dispositif de légitimation du pouvoir en place et dans la construction d'un contre-projet de société Quatre axes principaux guident l'étude menée par Mohamed Tozy dans son ouvrage en premier lieu l'auteur procède d'une analyse historique pour jeter des clairs sur les principales causes et

aspects d'une culture politique dominante basée sur l'autoritarisme et la soumission. L'analyse des mécanismes de gestion du champ politique est le deuxième axe travers lequel l'auteur tente entre autres de cibler les stratégies adoptées par le régime en vue de confirmer la légitimité de son pouvoir. Dans le troisième axe, Mohamed Tozy se penche sur l'analyse des mécanismes de la dynamique politique suivant en cela une approche permettant de cerner les aspects d'un champ politique vierge de véritables paris politiques. Dans le quatrième axe, Mohamed Tozy tente de mettre le doigt sur les points de rupture et de continuité entre la culture de l'autorité et celle des islamistes, à travers l'étude des parcours des mouvements islamistes marocains et aussi l'analyse des méthodes qui sont les leurs au niveau de la relecture des composantes traditionnelles.
