Political Alternatives For Southern Africa Principles And Perspectives:

Political Alternatives for Southern Africa D. J. Van Vuuren, Dan J. Kriek, 1983 **Von der Apartheidsgesellschaft zur Rainbow Nation** Michael Thomas P. Sprenger-Menzel, 2019-08-08 Michael Thomas P Sprenger Menzel untersucht den dreifachen Kolonialismus und die historische Entwicklung zur Apartheid in S dafrika Er analysiert die Bek mpfung und Abschaffung der Apartheid Ein Schwerpunkt liegt auf der Wirtschafts und Sozialpolitik auf Basis des Reconstruction and Development Programme RDP der Regierungspartei African National Congress ANC von 1994 2019 20 Der sozio konomische Umbau auf den Gebieten der Existenzsicherung des Infrastruktur und Wohnungsbaus der Bildung medizinischen Versorgung und gesellschaftlichen Umverteilung mittels Wirtschaftswachstums und Arbeitsplatzschaffung Redistribution by Growth des ANC ist ins Stocken geraten **2001** Johannes Paulmann, Markus Friedrich, Nick Stargardt, 2017-12-04 Das Jahrbuch f r europ ische Geschichte ist Forum f r Experten aus den europ ischen L ndern zu Themen Problemen und Grundsatzfragen der europ ischen Geschichte Podium f r die Diskussion von Forschungstrends und Forschungsergebnissen aus Europa und bersee Arena f r Originalbeitr ge vorwiegend j ngerer Wissenschaftler **South Africa** Siri Gloppen, 2019-05-23 Originally published in 1997 South Africa The Battle over the Constitution analyses rivaling positions in the South African constitutional debate from the early 1990s via the 1993 interim constitution to the adoption and certification of the new Final Constitution in December 1996 A theoretical framework is developed to analyze the constitutional structure of the contesting constitutional models and the book looks into their potential for addressing the problems of violence social inequality and ethnic tension and for achieving legitimacy and constitutionalism It argues that the constitutional solutions are premised on incomparable conceptions of South African reality and that the Final Constitution includes elements based on incompatible world views The compromises required by the constitutional moment could pose problems for the constitutional function The book also discusses other factors influencing the consolidation of a constitutional democracy in South Africa such as the role of the Constitutional Court and the attempts to create legitimacy for the constitution by broad public participation in the constitution making process **Political Science in South Africa** Peter Vale, Pieter Fourie, 2016-01-13 In 2013 and in 2014 respectively the South African Association of Political Studies SAAPS and Politikon the South African Journal of Political Studies celebrate their 40th anniversary Also in April 2014 South Africa celebrates twenty years since the advent of the post Apartheid democracy and the birth of the rainbow nation This book provides a timely account of the birth and evolution of South African politics over the past four decades but also of the study of Political Science and International Relations in this country Fourteen political scientists contribute chapters to this volume situating the study of politics within its global context and recounting the development of politics as a field of study at South African universities The fourteen contributions evaluate the state of the discipline s and suggest conclusions that are surprising and in many instances unsettling not only with regards to what and how politics is taught but also how its study has variously gained and lost pertinence for South

Africans understanding of their own polity as well as its place in the world The implications are uncomfortable and pose interesting challenges for South African scholarship pedagogy and national self reflection This book was published as a special issue of *Politikon* Politocracy Koos Malan,2012 Politocracy An assessment of the coercive logic of the territorial state and ideas around a response to it by Koos Malan Translated by Johan Scott 2012 ISBN 978 1 920538 10 1 Pages xii 356 Print version Available Electronic version Free PDF available Die Verteilung der Gesetzgebungskompetenzen im südafrikanischen Verfassungsrecht Søren David,2000 **There is no Supreme Constitution** Koos Malan,2019-10-04 None of the articles of faith of the South African Constitution is plausible The Constitution is not supreme and entrenched Subject to potent socio political forces it changes continuously and often profoundly regardless of stringent amendment requirements The trite threefold separation of powers is more metaphorical than real and therefore unable to secure effective checks and balances Though institutionally separated with their own personnel and functions the three powers are ordinarily integrated in a single dominant political leadership committed to achieving the same ideological goals The bill of individual rights cannot guarantee justice because rights are subject to the ideologically driven exercise of judicial interpretation often with damaging consequences for those relying on the bill of rights This situation does not only apply to South Africa but to all Constitutions premised on the same articles of faith in this book described as the doctrine of statist individualist constitutionalism An improved mode of constitutionalism is called for one which is equipped with a sounder system of checks and balances and better endowed towards the achievement of justice through a balanced constitution *Konflikt in Südafrika* Dieter Mahncke,1989 Archiv für Rechts- und Wirtschaftsphilosophie ,1985 *A First Directory of South African Political Scientists* André Du Pisani,1987 **HJIL** Viktor Bruns,1986 **South African Journal of Philosophy** ,1989 **The Societies of Southern Africa in the 19th and 20th Centuries** University of London. Institute of Commonwealth Studies,1990 *Federalism and the Future of South Africa* Murray Greensmith Forsyth,Thomas Bruce Millar,1984 **South Africa** Newell Maynard Stultz,1989 Southern African Update ,1990 **Political Science in South Africa** ,1994 *South Africa* ,1986 **Rights and Constitutionalism** Dawid Hercules Van Wyk,1996 This major work written by prominent South African academics is an introduction to the new constitutional order in South Africa It places fundamental rights as affirmed in Chapter 3 of the South African Constitution in a comparative and international context The authors draw heavily on the constitutional experience of countries such as Canada India Germany and the United States which greatly influenced the drafting of Chapter 3 of the Constitution The study is shaped by principles that form the foundation of the new order the supremacy of the Constitution the notion of a democratic constitutional state and the judicial protection of fundamental rights The book is divided into four parts The first deals with constitutionalism democracy and constitutional interpretation The second part provides an examination of the historical background of the 1993 Constitution and a description of the principal features of the Constitution The third part contains an analysis of the key fundamental

rights which constitutes the main purpose of the study Detailed treatment is given to civil and political rights social and economic rights the concepts of equality and administrative justice and the circumstances in which limitations may be imposed on rights A separate chapter is devoted to the international protection of human rights as directed by Section 35 1 of the Constitution The final part comprises a bibliography of the works cited in the text following the sequence of the chapters This is a book which will be of interest to all constitutional law specialists and to many political scientists particularly those with an interest in constitutionalism and constitutional litigation
