Political Economy Of Ethnic Discrimination And Affirmative Action A Comparative Perspective:

The Political Economy of Ethnic Discrimination and Affirmative Action Michael Louis Wyman, 1990-10-19 The nine essays collected here examine ethnic relations discrimination and affirmative action in different regions of the world The contributors focus throughout on the political economy of ethnic relations an area that has until now been largely neglected in the literature Written by economists the papers both offer theoretical and empirical insights into standard neoclassical models of discrimination and explore in depth the historical and institutional features of the specific cases under study Six of the papers address discrimination and affirmative action in developing countries the remaining essays examine the problem as it has been manifested in socialist states The aim throughout is to offer the reader an enhanced understanding of the economic and political genesis of the often catastrophic problems associated with ethnic discrimination Following a general introduction by the editor the contributors examine relations between Arabs and Jews in the Israeli labor force the complex interactions between human rights affirmative action and land reform in Latin America and ethnic relations and the new economic policy in Malaysia The three additional studies of ethnic problems in developing countries look at apartheid in South Africa political and economic discrimination in Sri Lanka and ethnic conflict in the Sudan Turning to an examination of ethnic discrimination under communism the contributors analyze the problems faced by gypsies in Eastern Europe the politics of ethnicity and affirmative action in the Soviet Union and labor market discrimination and ethnic tension in Yugoslavia A bibliography is included for those wishing to pursue further research on the subject By focusing attention on discrimination in regions of the world little studied in past works on ethnic conflict these essays represent a unique and important contribution to the literature of international economics and political economy

Nationalism and Ethnoregional Identities in China Safran William, 2013-05-13 Western political scientists have tended to neglect the ethnic dimension in China and have overemphasized the development from large empire to unified nation This book brings together a number of case studies on the ethnic and regional dimensions of Chinese politics and society

New Tribalisms Michael W. Hughey, 2016-03-29 The resurgence of racial ethnic and nationalist loyalties in the contemporary world are examined in this volume Considered collectively the contributors offer both a conceptual understanding of race and ethnicity and an empirical examination of their renewed importance in and implications for contemporary societies With sections on the American experience with ethnoracial pluralism and on ethnonationalist movements in other parts of the world Hughey offers an extensive treatment of the origins expressions and implications of the new tribalisms now confronting the world

Encyclopedia of Human Rights Edward H. Lawson,1996 Preface to the first edition *Economic Change and Political Conflict in Developing Countries with Special Reference to Sri Lanka* Sirimal Abeyratne,1998 Civil wars and other forms of intra state political violence have recently been concentrated generally in developing regions of the world In order to understand these phenomena an explanatory framework from a development perspective is essential This book focuses on political conflicts within a conceptual framework of development economies in

general and it analyses the experience of one developing country Sri Lanka in particular In the context of a global economic environment the strategic problem faced by developing countries has been and still is the generation of economic resources to meet the rising aspirations that were created by the development paradigm itself The study shows that development accompanied by economic mismanagement and the lack of political discipline has provided a fertile ground for the emergence of the twin political conflicts in Southern and North Sri Lanka

The New Palgrave Dictionary of Economics and the Law Peter Newman,2016-04-30 A great deal of economics is about law the functioning of markets property rights and their enforcement financial obligations and so forth yet these legal aspects are almost never addressed in the academic study of economics Conversely the study and practice of law entails a significant understanding of economics yet the drafting and administration of laws often ignore economic principle The New Palgrave Dictionary of Economics and the Law is uniquely placed by the quality breadth and depth of its coverage to address this need for building bridges Drawn from the ranks of academics professional lawyers and economists in eight countries the 340 contributors include world experts in their fields Among them are Nobel laureates in economics and eminent legal scholars First published in 1998 and now available in paperback for the first time The New Palgrave Dictionary of Economics and the Law has established itself as a classic reference work in this important field
