Political Economy Of Nigeria

Daniel A. Omoweh

Political Economy Of Nigeria:

The Political Economy of Nigeria I. William Zartman, 1983 Introduction to the Political Economy of Nigeria Uwem Essia, 2024-11-15 Introduction to the Political Economy of Nigeria is Book 1 of the Series The Nigerian Political Economy History Structure and Pathways to Development It employs key political economic models such as Arthur Lewis's Dual Sector Model Rostow's Stages of Growth Rentier State Theory Neo Patrimonialism and New Institutional Economics to map the political economic evolution of Nigeria from pre independence to the current era This foundational book shows that corruption the perennial dependency on oil a vast informal sector and structural dualism have helped to constrain Nigeria's political economic transformation inhibiting the early achievement of economic emergence and sustainable development To move forward governance and the electoral systems must digitize to promote transparency and accountability through building and regularly updating databases that can be revisited long after successive political leaders are out of office Globally political leaders become more cautious and prudent when they know that the records of their stewardship can be accessed and used for or against them long after they leave office Poor record keeping makes the work of anti graft agencies in Nigeria more difficult Nigeria has enormous human and material resources to leapfrog to global competitiveness and relevance However leadership selection has remained a sore point since independence and to achieve success private participation civil society activism and a commitment press are essential ingredients needed to place Nigeria on a steady growth path Fundamentally what is needed is amending the electoral laws to make real time electronic thumbprinting voting and vote counting compulsory for all federal state and local council elections Fortunately the biometric technology for achieving a secure free and fair electoral system already exists in Nigeria and is being used by banks to make payments using ATMs A voter's card produced as an ATM like voter's card embowed with personalized biometrics and connected to the National Identity Number NIN can be programmed to allow each cardholder to vote only once for a given election With such a system voting can be staggered over some days to reduce pressure on the electronic system used Those benefiting from the present system will certainly resist such reforms However sustained pressure through advocacy lobbying and political education by the civil society movement and the press will make the desired change achievable A prosperous and vibrant Nigerian political economy is possible and achievable if the recommendations offered in this book are considered and implemented Political Economy of Nigeria Claude Ake, 1985 Towards a Political Economy of Nigeria Julius Omozuanvbo Ihonvbere, Timothy M. Shaw, 1988 *Freedom in the Grave* P. Heinecke, 1985 **Critical Perspectives on Nigerian Political Economy and Management** Patrick Okedinachi Utomi, 2000 These essays are taken from the many symposiums diagnosing Nigeria's prolonged stagnation The book is designed as a companion to the author's previous book *Managing Uncertainty Competition and Strategy in Emerging Economies* which won the Boshorun M K O Abiola prize as the best academic book published in Nigeria in 1998 The five parts of the book are Strategy and the Nigerian Environment The

Environment of Banking and Finance Political Economy Issues and the Macro economy Challenge to Business Budget Reviews and Policy Advocacy Values and Management Effectiveness and Case Studies **The Nigerian Economy** ,1986

Why Nigerians are Different Gbenga Badejo,2019-02-05 Have you ever wondered why Nigerians are loved and loathed in equal proportions What is it about Nigeria that makes it so different Can anything good come out of Nigeria In Why Nigerians are Different political economist and writer Gbenga Badejo presents Nigeria to Nigerians and to the world In this book you will discover Why Nigerians are so full of themselves Why they are ever hopeful about their country Why Nigerians are remarkably different from their neighbours Whether there is a Nigerian dream The 7 wonders of Nigeria Why Nigerians are Different provides the answers to the different questions you have always wanted to ask about Nigeria and its people The book offers a refreshing sometimes striking portrait of the Nigerian character by unbuttoning its different layers and getting under the skin of a nation renowned for its resilience and optimism If you want to know how Nigerians see themselves and the rest of the world this book is for you *Issues in Contemporary Political Economy of Nigeria* Hassan A. Saliu,1999-01-01

Political Behaviour and Electoral Politics in Nigeria Ukana B. Ikpe,2000 **Nigeria, the Economy and the People** Edwin Madunagu,1983 Nigeria Sarah Ahmad Khan,1994 Nigeria is the most populated nation on the African continent and contains a vast wealth of natural resources It is the largest petroleum producer in Africa and a key exporter of oil to both Western Europe and the US and yet the political economy of Nigeria remains one of gross indebtedness inefficiency and mismanagement Here the author brings together these issues in a far ranging account of the Nigerian oil industry She explores the fraught relationship between the government and foreign oil companies the financial constraints on domestic investment and the tragic lessons of an economy dependent on oil This is a fascinating look at the problems of this developing country trying to exploit its natural resources and will be of interest to scholars of development studies and international business **Political Economy of Steel Development in Nigeria** Daniel A. Omoweh,2005 This is a critical comparative analysis of the origin nature problems and prospects of steel development and industrialisation in Nigeria and South Korea Focusing on the steel sector this ground breaking book examines the interplay among the state local capital transnational corporations the World Bank and IMF The book examines how all these factors have come to shape the content and direction of steel development in these two countries **The Causes of Instability in Nigeria and Implications for the United States** Clarence J. Bouchat,2013 The political economy problems of Nigeria the root cause for ethnic religious political and economic strife can be in part addressed indirectly through focused contributions by the U S military especially if regionally aligned units are more thoroughly employed **Nigeria and the Political Economy of Development** Simeon Ibidayo Ajayi,2003 **Crisis and Adjustment in the Nigerian Economy** Adebayo O. Olukoshi,1991 **The Political Economy of Nigeria Under Military Rule (1984-1993)** SAPES Trust,1995 **Reflections on the Political Economy of Nigeria** ,1999 **International Political Economy and Nigeria's Development, 1945-75** Amechi Peters Adolf

Okolo,1978 **The Political Economy of Modern Nigeria** Uwem Essia,2024-12 The Political Economy of Modern Nigeria is the second book of the Series The Nigerian Political Economy History Structure and Pathways to Development by the author This book explains Nigeria s structural transformation institutional development and the critical role of social capital networks in shaping the country s political and economic landscape Drawing from a detailed review of the contemporary literature and data the author explains how ethnic religious and business networks influence Nigeria s political economy from the location and localizations of businesses to the electoral configuration budgeting and overall development patterns Summarily the overwhelming influences of ethnic and religious cleavages and networks have influenced business networks and electoral processes such that rather than become and remain patriotic to Nigeria as a nation state most Nigerians prioritize their religious and ethnic associations and business networks over patriotic national interests This development has supported the rise and blossoming of fragmented business and political networks that influence how business is done and politics played who is awarded contracts which projects are executed and where they are located who wins elections and who gets punished for offense or allowed to go free The business networks and value chains formed by the ethnic and religious alliances have supported the rise of some Nigerians to enormous wealth and political influence but portend a high risk of exclusivity promoting a zero sum game scenario where the insiders do very well at the detriment of a larger population of impoverished outsiders The author argues however that fragmented business and political networks can be leveraged for inclusive economic growth by strengthening institutional capacity promoting e governance and improving resource management However for this to work the political leaders must step out of the religious and ethnic enclaves that brought them to power to become truly nationalistic Having the courage and political will to rebel against the exclusivist business and political networks that shot them to power will be very difficult but not impossible for a visionary president governors and legislators who realize that an inclusively developed Nigerian political economy is a Pareto improvement beneficial to all citizens regardless of ethnic and religious orientation This book is useful to everyone interested in understanding the political economy of development as a student researcher policymaker business leader elected and appointed official or just an enthusiast of Nigeria s development It offers a detailed roadmap for sustainable development in Africa s largest economy

Getting the books **Political Economy Of Nigeria** now is not type of inspiring means. You could not unaided going afterward books collection or library or borrowing from your links to entry them. This is an totally easy means to specifically get lead by on-line. This online notice Political Economy Of Nigeria can be one of the options to accompany you later than having new time.

It will not waste your time. give a positive response me, the e-book will extremely song you extra business to read. Just invest tiny times to right to use this on-line pronouncement **Political Economy Of Nigeria** as with ease as review them wherever you are now.
