Political Journalism New Challenges New Practices:

Political Journalism Raymond Kuhn, Erik Neveu, 2002 This topical collection examines the changing role of political journalism in the era of the soundbite and the spin doctor Topics covered include the manipulation of journalists by politicians and vice versa

Political Journalism in Transition Raymond Kuhn, Rasmus Kleis Nielsen, 2013-11-07 The 21st century has already seen dramatic changes affecting both journalism and politics The rise of a range of new digital and networked communication technologies combined with the stagnation and decline of many traditional mass media has had a profound impact on political journalism The arrival of new digital media has affected the ways in which political actors communicate with the public with or without journalists as intermediaries Newspapers that once held political leaders to account are now struggling to survive broadcasters that once gathered whole nations for the evening news are now fighting for relevance faced with innumerable new competitors on cable and digital television online only media such as blogs and social networking sites are changing how we communicate about politics News media remain central to political processes but the ways in which journalists and politicians interact are changing This book examines how and provides a comprehensive and comparative analysis of the state of political journalism in Western Europe today including the many challenges facing journalists in this important period of transition

Die Massenmedien im Wahlkampf Christina Holtz-Bacha, 2013-03-07 Professioneller Wahlkampf bedeutet Medienwahlkampf Die Medien spielen die Hauptrolle bei der Vermittlung von Politik an die W hlerschaft Um eine f r sie g nstige Darstellung der Politik sicher zu stellen bem hen sich die politischen Akteure um die Anpassung ihrer Wahlkampf bem hungen an die Logik der Medien Entsprechend ihrer Kritik und Kontrollfunktion beschr nken sich die Medien jedoch nicht auf die simple Weiterleitung dessen was die Politik ihnen liefert sondern werden selber zu Akteuren des Wahlkampfes

Mediengesellschaft Kurt Imhof, Roger Blum, Heinz Bonfadelli, Otfried Jarren, 2013-07-29 Generell wird hier davon ausgegangen dass die Ausdifferenzierung eines eigenst ndigen Mediensystems die Beziehungen zwischen den zentralen Teilsystemen moderner Gesellschaften fundamental ndern und die Akteure aller Teilsysteme einem Medialisierungs oder Mediatisierungsdruck aussetzen

The Routledge Companion to Political Journalism James Morrison, Jen Birks, Mike Berry, 2021-10-19 This international edited collection brings together the latest research in political journalism examining the ideological commercial and technological forces that are transforming the field and its evolving relationship with news audiences Comprising 40 original chapters written by scholars from around the world The Routledge Companion to Political Journalism offers fundamental insights from the disciplines of political science media communications and journalism Drawing on interviews discourse analysis and quantitative statistical methods the volume is divided into six parts each focusing on a major theme in the contemporary study of political journalism Topics covered include far right media populism movements and the media local political journalism practices public engagement and audience participation in political journalism agenda setting and advocacy and activism in journalism

Chapters draw on case studies from the United Kingdom Hungary Russia Malaysia Myanmar Italy Brazil the United States Greece and Spain The Routledge Companion to Political Journalism is a valuable resource for students and scholars of media studies journalism studies political communication and political science An Introduction to Political Communication Brian McNair,2017-07-06 At a time of radical shifts in power across the globe the sixth edition of An Introduction to Political Communication examines the role of the media in the political process Brian McNair reflects on the role of communication in key events such as the referendum vote for the UK s withdrawal from the European Union the rise of nationalist populism in Europe and the victory of Donald Trump in the 2016 US presidential election He explores the use of communication as a weapon by Islamic State and other insurgent organisations and by Putin s Russia in its dealings with the West including the hacking of Democratic Party emails in 2016 McNair argues that an expanding globalised public sphere and digital media network have transformed political communication allowing political actors from politicians and pressure groups to trade unions and terrorist organisations to bypass traditional established media in communicating their messages This sixth edition of McNair s classic text has been comprehensively revised and updated to include the 2016 US presidential election and Donald Trump s rise to power the UK s EU referendum of 2016 the Scottish independence referendum of 2014 and the snap UK general election of June 2017 the growing role in political communication of the internet and social media platforms such as Twitter Facebook and YouTube and their destabilising impact on the management of political crises all over the world including the shooting down of Malaysian Airlines MH17 and the disappearance of MH370 the Tianjin disaster in China and the Russian intervention in Ukraine Islamic State s global jihad and the use of social media as an instrument of terror the growing capacity of WikiLeaks and other online sources such as the International Consortium of Investigative Journalists to challenge elite control of information Comparing Political Journalism Claes de Vreese, Frank Esser, David Nicolas Hopmann,2016-07-15 Comparing Political Journalism is a systematic in depth study of the factors that shape and influence political news coverage today Using techniques drawn from the growing field of comparative political communication an international group of contributors analyse political news content drawn from newspapers television news and news websites from 16 countries to assess what kinds of media systems are most conducive to producing quality journalism Underpinned by key conceptual themes such as the role that the media are expected to play in democracies and quality of coverage this analysis highlights the fragile balance of news performance in relation to economic forces A multitude of causal factors are explored to explain key features of contemporary political news coverage such as Strategy and Game Framing Negativity Political Balance Personalization Hard and Soft News Comparing Political Journalism offers an unparalleled scope in assessing the implications for the ongoing transformation of Western media systems and addresses core concepts of central importance to students and scholars of political communication world wide *The Global Journalist in the 21st Century* David H. Weaver, Lars Willnat,2020-10-25 The Global Journalist in the 21st Century systematically assesses the demographics

education socialization professional attitudes and working conditions of journalists in various countries around the world This book updates the original Global Journalist 1998 volume with new data adding more than a dozen countries and provides material on comparative research about journalists that will be useful to those interested in doing their own studies The editors put together this collection working under the assumption that journalists backgrounds working conditions and ideas are related to what is reported and how it is covered in the various news media round the world in spite of societal and organizational constraints and that this news coverage matters in terms of world public opinion and policies Outstanding features include Coverage of 33 nations located around the globe based on recent surveys conducted among representative samples of local journalists Comprehensive analyses by well known media scholars from each country A section on comparative studies of journalists An appendix with a collection of survey questions used in various nations to question journalists As the most comprehensive and reliable source on journalists around the world The Global Journalist will serve as the primary source for evaluating the state of journalism As such it promises to become a standard reference among journalism media and communication students and researchers around the world

Communicating Politics in the Twenty-First Century Karen Sanders,2009 Practical topical and theoretical this book takes an original look at how politics is communicated around the world by politicians governments and the media industries It features use of international examples and a broad coverage of a burgeoning area of study It presents a truly engaging and readable style From propaganda and protests to Marx and Obama this book provides an engaging look at politics in the media Historical detail and contemporary examples are used to explore essential theory and key research in the field Topical and comprehensive this book covers everything students need to know about the global world of political communication *Javnost* ,2006

Democratic Governance and European Integration Ronald Holzhaacker,Erik Albæk,2007 As the power and scope of the European Union moves further beyond traditional forms of international cooperation between sovereign states it is important to analyse how these developments are impacting upon national institutions and processes of democratic representation and legitimacy in the member countries The authors in this book identify four core processes of democratic governance present in any democratic political system that link societal and state processes of decision making opinion formation interest intermediation national executive decision making and national parliamentary scrutiny From a normative perspective they discuss what impacts this process of Europeanization has on democracy in the evolving system They conclude that more changes are seen within the state centric than in the societal centred processes of democracy thus the public seems to have been left behind in the process of constructing Europe The empirical research and normative discussion presented in this book are designed to further our knowledge concerning the Europeanization of social and state processes of

democracy and to contribute to the continuing dialogue on democracy in the European Union This book will be of great interest to academics and researchers of political science public policy and international relations as well as those interested in European studies and comparative politics
