Political Representation And Legitimacy In The European Union

Peter Mair, Jacques Thomassen

Political Representation And Legitimacy In The European Union:

Political Representation and Legitimacy in the European Union Hermann Schmitt, J. J. A. Thomassen, 1999 How severe a problem is what many call the democratic deficit of the European Union Despite a voluminous theoretical literature dealing with this question there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of EU citizens that spring from it This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit Four dimensions of legitimacy beliefs are identified and analysed the European political community the scope of EU government the institutions and processes of EU government and EU policies Based upon large scale representative surveys among the mass publics and different strata of the political elite of the EU and its member states the book examines the conditions of political representation in the EU The results demonstrate by and large that legitimacy beliefs of EU citizens are the more positive the less specific the object of identification and evaluations is and that the process of political representation works pretty well as long as issues other than European Union issues are concerned These findings are finally discussed in view of familiar strategies for institutional reform of the European Union

Political Representation and Legitimacy in the European Union Hermann Schmitt, Jacques Thomassen, 1999

The Legitimacy of the European Union After Enlargement Jacques Thomassen, 2009-05-28 In 2004 the European Union was enlarged with ten new member states eight of them previously communist states in Central and Eastern Europe This enlargement was without precedent in the history of the Union and its predecessors It is still to be seen how well the institutions as well as the citizens of the Union are able to cope with the consequences of this operation The authors of this volume evaluate the effect of that enlargement on its legitimacy They do so by assessing the effects of enlargement on the functioning of the process of political representation in the European Union and on the feelings of the European people towards the Union This study is mainly based on data from the European Election Study 2004 This study made it for the first time possible to compare the attitudes and behaviour of citizens in the enlargement countries in particular in Central and Eastern Europe with their counterparts in the older member states Some of the findings of this study are counterintuitive In many respects the effects of enlargements are much smaller than often argued The party systems of the new member states and the attitudes and behaviour of the voters of individual parties are very compatible with their counterparts in the older member states making further European integration relatively easy The same can be said about members of the European Parliament On the other hand the mutual trust of the people in the older and new member states is extremely low and undermines the legitimacy of the enlarged Union

Political Representation and European Union Governance Peter Mair, Jacques Thomassen, 2013-09-13 This book confronts and discusses different conceptions of political representation with respect to their application to the system of multi level governance in the European Union Political representation is an essentially contested concept Its meaning has evolved with the development of

representative democracy at the level of the nation state and normative theories of political representation often evolved as a reflection on developing practices rather than the other way around Since the EU is not a conventional nation state and since the effectiveness and legitimacy of classic notions of political representation at the level of the national state has also become a matter of dispute the EU has become a playground for the development of alternative or additional conceptions of democracy The contributions to this volume evaluate these alternative conceptions with regard to both their effectiveness and their legitimacy and combine both conceptual and empirical analyses This book was based on a special issue of Journal of European Public Policy

People and Parliament in the European Union Jean Blondel, Richard Sinnott, Palle Svensson, 1998 The power of the European Parliament has been steadily and visibly increasing in recent years This arises from EU treaty changes and from the fact that more and more decisions are being made at the European level At the same time however the already low rate of turnout in European elections has actually been declining This powerful new study examines a seemingly paradoxical situation which has raised deep concern about the democratic deficit in the European Union The authors analyse the concepts of participation democracy and legitimacy and their applicability at the European level and develop a typology of voter participation and abstention in the European context Combining extensive new data from specially commissioned surveys in all 1994 member states with a searching review of the existing evidence they provide a comprehensive account of the legitimacy of the European Union and examine the images of the European Parliament citizens experiences of the 1994 campaign and their perceptions of the parties and the candidates In an analysis that challenges existing interpretations the institutional demographic and attitudinal sources of participation and abstention are fully explored The study concludes by considering how participation and democratic representation might be enhanced acknowledging forthrightly the obstacles and inherent limits that such efforts are likely to face

Debating the Democratic Legitimacy of the European Union Beate Kohler-Koch, Berthold Rittberger, 2007-04-18 The discussion about a constitution for the European Union and its rejection by referendum in two of the EU founding member states has once again spurred public and scholarly interest in the democratic quality and potential of the European Union *Debating the Democratic Legitimacy of the European Union* brings together distinguished thinkers from law political science sociology and political philosophy to explore the potential for democratically legitimate governance in the European Union Drawing on different theoretical perspectives and strands from democratic theory this volume is the first of its kind to overcome the present state of fragmentation in the debate about the conditions and possible remedies for what is often called the democratic deficit of the European Union Among the pressing questions addressed by the contributors are What future is there for parliamentary democracy in the European Union Can we observe the evolution of a European public sphere and civil society Can participatory democracy or deliberative democracy pave the road for a democratically legitimate European Union Conversations about democracy have engaged the public in a new way since the beginning of the Iraq war and this volume is

the best resource for students and readers who are interested in democracy in the European Union Contributions by Rudy B Andeweg Katrin Auel Arthur Benz Lars Erik Cederman Damian Chalmers Deirdre Curtin Donatella Della Porta Klaus Eder Erik O Eriksen Ulrich Haltern Hubert Heinelt Doug Imig Christian Joerges Beate Kohler Koch Christopher Lord Paul Magnette Andreas Maurer Jeremy Richardson Berthold Rittberger Rainer Schmalz Bruns Michael Th Greven Hans J rg Trezn and Armin von Bogdandy **Political Representation in the European Union** Sandra Kröger,2014-04-03 In recent years the financial and economic crisis of 2008 9 has progressed into an equally important political and democratic crisis of the EU These troubled times have set the framework to re assess a number of important questions in regard to representative democracy in the EU such as the normative foundation of political representation the institutional relationship between representatives and represented the link between democracy and representation and new arenas and actors This book examines the diverse avenues through which different sorts of actors have expressed their voices during the Euro crisis and how their various interests are translated into the decision making process It offers a state of the art assessment of what political representation means in this context as well as a contribution to the representative turn in democratic theory The authors address three key themes The main actors and channels of political representation in the EU Interlocking levels of representation in the EU and the way in which national and supranational representation works How the European institutional system represents EU citizens through law and administration Focusing on the importance of representation in the legitimation of democracy this book will be of interest to students and scholars of European Union politics European studies democratic theory representation studies civil society and transnational democracy **Functional Representation and Democracy in the EU** Corinna Wolff,2024-08-22 Involving civil society in particular affected stakeholders is often seen as a solution to democratic deficits High expectations ride on the promise of participation in new modes of governance at the EU such as the Open Method of Coordination OMC But its results have been modest and it is unclear who should participate where and how Corinna Wolff offers a consistent framework to assess participation from the perspective of democratic legitimacy conceptualising it as functional representation She reviews recent theories of representation develops them into a tool to deal with complex governance settings then applies this framework to functional representation at the European Commission in EU social policy The results indicate that far from being a panacea functional representation raises fundamental questions about the possibilities for democratic European governance Democratic Dilemmas of Multilevel Governance J. DeBardeleben,A. Hurrelmann,2007-09-27 Focusing on the EU this volume with a combination of theoretical perspectives and empirical research examines the problems multilevel governance causes for democratic legitimacy by placing it in a comparative and theoretical context and explore how challenges faced by the EU compare with those faced by traditional federal systems worldwide **Zur Zukunft der Demokratie** Hans-Dieter Klingemann,2000 **Österreichisches Jahrbuch für Politik** Andreas Khol,Günther Ofner,Günther Burkert-Dottolo,Stefan Karner,2000

Democratic Governance and European Integration Ronald Holzhaacker, Erik Albæk, 2007 As the power and scope of the European Union moves further beyond traditional forms of international cooperation between sovereign states it is important to analyse how these developments are impacting upon national institutions and processes of democratic representation and legitimacy in the member countries The authors in this book identify four core processes of democratic governance present in any democratic political system that link societal and state processes of decision making opinion formation interest intermediation national executive decision making and national parliamentary scrutiny From a normative perspective they discuss what impacts this process of Europeanization has on democracy in the evolving system They conclude that more changes are seen within the state centric than in the societal centred processes of democracy thus the public seems to have been left behind in the process of constructing Europe The empirical research and normative discussion presented in this book are designed to further our knowledge concerning the Europeanization of social and state processes of democracy and to contribute to the continuing dialogue on democracy in the European Union This book will be of great interest to academics and researchers of political science public policy and international relations as well as those interested in European studies and comparative politics

Thank you enormously much for downloading **Political Representation And Legitimacy In The European Union**. Political Representation And Legitimacy In The European Union Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Representation And Legitimacy In The European Union free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Representation And Legitimacy In The European Union free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type.

By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Representation And Legitimacy In The European Union free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Representation And Legitimacy In The European Union. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Representation And Legitimacy In The European Union any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Representation And Legitimacy In The European Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Representation And Legitimacy In The European Union is one of the best book in our library for free trial. We provide copy of Political Representation And Legitimacy In The European Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Representation And Legitimacy In The European Union. Where to download Political Representation And Legitimacy In The European Union online for free? Are you looking for Political Representation And Legitimacy In The European Union PDF? This is definitely going to save you time and cash in something you should think about.
