Policies Of Deceit In Our Public Schools And Colleges:

Policies of Deceit Jim Martin, 1998-05-01 Rules of the Board of Education and Regulations of the Public Schools of the City and County of San Francisco San Francisco (Calif.). Board of Education, 1875 Anti-Blackness and Public Schools in the Border South Claude Weathersby, Matthew D. Davis, 2019-09-01 This new book on Black public schooling in St Louis is the first to fully explore deep racialized antagonisms in St Louis Missouri It accomplishes this by addressing the white supremacist context and anti Black policies that resulted In addition this work attends directly to community agitation and protest against racist school policies The book begins with post Civil War schooling of Black children to the important Liddell case that declared unconstitutional the St Louis Public Schools The judicial wrangling in the Liddell case its aftermath and community reaction against it awaits a next book by the authors of *Anti blackness and public schools* Rules and Regulations of the Public Schools of the City of Springfield, 1867 Springfield (Mass.). School committee, 1867 **Second Thoughts: Sociology Challenges Conventional Wisdom** Janet M. Ruane, Karen A. Cerulo, 2011-06-07 Do birds of a feather flock together or do opposites attract Does haste make waste or should you strike while the iron is hot Adages like these or conventional wisdoms shape our social life This Fifth Edition of *Second Thoughts* reviews several popular beliefs and notes how such adages cannot be taken at face value This unique text encourages students to step back and sharpen their analytic focus with 24 essays that use social research to expose the gray areas of commonly held beliefs revealing the complexity of social reality and sharpening students sociological vision Rules and Regulations of the Public Schools of the City and County of San Francisco San Francisco (Calif.). Board of Education, 1863 *Neoliberalism and Young Adult Fiction* Sean P. Connors, Roberta Seelinger Trites, 2025-03-17 In the twenty first century the influence of neoliberalism the belief that society benefits when both individuals and corporations are free to maximize their talents in the service of responding to social needs and problems resonates through all domains of human life And yet little critical study has been given to the reproduction of a neoliberal social order in YA literature *Neoliberalism and Young Adult Fiction* Exceptionalism Exploitation and Erasure examines how some YA literature naturalizes neoliberalism in positioning teenagers as self enclosed competitive individuals At the same time however the authors also examine other YA novels as potential sites of resistance that acknowledge teenagers agency to reject neoliberalism s destructive impulses and to work for social justice and equality through collective action With that in mind the authors of *Neoliberalism and Young Adult Fiction* analyze such concepts as how the exceptionality of specific characters who embody neoliberal ideals leads to self enclosed individualism and how environmental exploitation and consumerism lead to destructive effects The book progresses to an in depth examination of how racism undergirds US neoliberalism and environmental exploitation From scrutinizing racism and the rejection of neoliberalism inherent in the antiracism movement the study turns to an examination of gender specifically focusing on the relationship between sexism exploitation and embodied rejections of patriarchal thinking Indeed erasure is implicated in

racism sexism and all forms of discrimination that are borne of exploitation Finally youth activism with its rejection of neoliberal ideologies leads to a culminating chapter about how global youth link YA literature to their protest movements
