***Militarism & moralism,
market forces & police forces,
the morality of the workhouse***

- “ Clause 28 would re-institutionalize lesbian and gay sex as an upper class indulgence and a lower class sin. ”
- “ Debate about how much to challenge the status quo burst out when gay film director Derek Jarman respectfully but firmly criticized gay actor Ian McKellen for accepting a knighthood from the government which is promoting the morality of the workhouse. Splits have emerged over similar issues in the US. These conflicts reflect a new determination to gain clarity: where do we go from here, whom do we go with and how do we get there? We hope this book contributes to working out the answers. ”

[Policing the Bedroom] rightly links the attack on lesbian mothers in Section 28 to an attack on women generally. It is important that [Wages Due Lesbians] receives support from all of us to ensure that the workhouse morality is dismantled once and for all. Lesbian and Gay Socialist
