Political Change And The Crisis Of Legitimacy In Hong Kong:

Political Change and the Crisis of Legitimacy in Hong Kong Ian Scott, 1989-01-01 Chinese parallel title on jacket romanized as Hsiang kang ti cheng chih pien hua chi cheng fu ho fa hsing chih wei chi Bibliography p 449 467 **The Politics of Democratization in Hong Kong** Lo Shiu-hing, 2016-07-27 An analysis of the politics of transition in Hong Kong focusing on the tug of war between China and Britain on democratization and on the interactions between the increasingly politically active people of Hong Kong and the democratizing colonial regime The successes and failures of British policy since 1984 and the missed opportunities to democratize faster prior to Governor Patten's appointment in 1992 are examined

Hong Kong's Governance Under Chinese Sovereignty Brian C. H. Fong, 2014-09-04 As a hybrid regime Hong Kong has been governed by a state business alliance since the colonial era However since the handover in 1997 the transformation of Hong Kong's political and socio economic environment has eroded the conditions that supported a viable state business alliance This state business alliance which was once a solution for Hong Kong's governance has now become a political burden rather than a political asset to the post colonial Hong Kong state This book presents a critical re examination of the post 1997 governance crisis in Hong Kong under the Tung Chee hwa and Donald Tsang administrations It shows that the state business alliance has failed to function as an organizational machinery for supporting the post colonial state and has also served to generate new governance problems Drawing upon contemporary theories on hybrid regimes and state capacity this book looks beyond the existing opposition centered explanations of Hong Kong's governance crisis By establishing the causal relationship between the failure of the state business alliance and the governance crisis facing the post colonial state Brian C H Fong broadens our understanding of the governance problems and political confrontations in post colonial Hong Kong In turn he posits that although the state business alliance worked effectively for the colonial state in the past it is now a major problem for the post colonial state and suggests that Hong Kong needs a realignment of a new governing coalition Hong Kong's Governance under Chinese Sovereignty will enrich and broaden the existing literature on Hong Kong's public governance whilst casting new light on the territory's political developments As such it will be welcomed by students and scholars interested in Chinese politics Hong Kong politics and governance Political Order and Power Transition in Hong Kong Pang-kwong Li, 1997 Leading scholars of Hong Kong studies have contributed their expertise and analyses to this volume in order to better understand the dynamics of change and related issues during this historic period of Hong Kong history This book highlights some of the key issues that have emerged in the process of transition British policy towards Hong Kong political reforms and democratization relations between the administration and the legislature the transformation of senior civil service development of political party civil society fiscal policy and land use etc **Routledge Handbook of Democratization in East Asia** Tun-jen Cheng, Yun-han Chu, 2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both

the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region s authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies

Korruption in Hongkong Anja-Désirée Senz,2003 **The Limits of Authoritarian Governance in Singapore's Developmental State** Lily Zubaidah Rahim,Michael D. Barr,2019-02-06 This book delves into the limitations of Singapore s authoritarian governance model In doing so the relevance of the Singapore governance model for other industrialising economies is systematically examined Research in this book examines the challenges for an integrated governance model that has proven durable over four to five decades The editors argue that established socio political and economic formulae are now facing unprecedented challenges Structural pressures associated with Singapore s particular locus within globalised capitalism have fostered heightened social and material inequalities compounded by the ruling party s ideological resistance to substantive redistribution As growth with equity becomes more elusive the rationale for power by a ruling party dominated by technocratic elite and state institutions crafted and controlled by the ruling party and its bureaucratic allies is open to more critical scrutiny
