## **Political Ideology In Britain:**

**Political Ideology in Britain** Robert Leach, 2015-05-01 As well as introducing the mainstream ideologies of Liberalism Conservatism and Socialism this text examines challenges from nationalist feminist and Green thinkers amongst others Now in its third edition it includes a new chapter on anarchism and assesses the continuing disillusionment of Britain with the ideas of the Westminster elite

*British Political Ideologies* Robert Leach, 1991 This text examines the major political ideologies underlying the political life of Britain today The coverage of the subject ranges wider than political party ideology extending to include details on more recent ideologies such as feminism and environmentalism Topics included are the nature of ideology liberalism conservatism and socialism

*Party Ideology in Britain* Leonard Tivey, Anthony Wright, 2024-03-01 First published in 1989 Party Ideology in Britain presents an approach to the study of British politics which is distinctive in its focus on political ideas rather than on the more familiar organizational basis of party politics It sets out to explore what the major political traditions in Britain stand for both in terms of general ideas and in relation to key policy areas The contributors examine the nature of political ideology in Britain in the period since 1945 as revealed by the party system and discuss the way in which general ideological positions have been related to policy and practice Each of the major national party traditions is examined showing how contemporary party thinkers have sought to apply and adapt the historic principles of their parties in the face of social change economic problems and international developments This book will be of interest to students of political science and history

**Principles and Politics in Contemporary Britain** Mark Garnett, 2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated

*Politics and Governance in the UK* Michael Moran, 2017-10-13 The third edition of this comprehensive and innovative textbook provides an invaluable narrative and insight into the ever changing landscape of British politics Updated to cover the 2015 General Election the Scottish independence referendum and changing relations with the European Union this extensively revised new edition sets out to provide students with a clear understanding of the core features of British politics and contemporary governance as well as an examination of the way in which the governing process is becoming increasingly multi level and multi agency Written in a concise and accessible style by one of the leading authors in the field this engaging text provides an illuminating framework that draws on the range of analytical issues and theoretical debates in the study of British politics Through Moran

s unrivalled account of the way Britain is governed it is clear to see why this text continues to be essential reading for undergraduate students of British politics New to this Edition Continued discussion on the influence of EU membership on British politics A distinct emphasis on the rising importance of management in the system of government New 2017 update covers both the 2016 EU Referendum and the 2017 General Election as well as their repercussions for British politics

The Political Ideology of Green Parties G. Talshir,2002-10-31 Has a new political ideology emerged in the aftermath of the Sixties Gayil Talshir examines the ideological evolution of green parties in Britain and Germany and traces the formation and transformations of a new type of ideology a modular ideology In the 1980s the extraordinary opposition New Left and ecology movements developed a distinct and social vision that paved the political road for the transformation of democracy Talshir explores this journey from the politics of nature to changing the nature of politics British Party Politics and Ideology after New Labour S. Griffiths,K. Hickson,2009-11-18 British Party Politics and Ideology after New Labour brings together academics and politicians to debate the intellectual roots of the ideas that currently drive the main UK political parties With major players responding to the arguments raised in each chapter the book will be a must read for anyone interested in or teaching British politics *The New British Politics* Ian Budge,2007 This fourth edition offers an introduction to current British politics It combines incisive and original analysis with clear and direct presentation specially tailored to the needs of lecturers teachers and students of British politics from A level to University Second Year

**Principles and Politics in Contemporary Britain** Mark Garnett,2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated **Ideology and Politics in Britain Today** Ian Adams,1999 Examining the variety of ideas and values that influence British politics today in light of how they developed and arrived in their present state this text considers the future of British politics and what forces may shape further development *Politics, Peoples and Government* Rodney Barker,1994 **British Social Politics** Carlton Joseph Huntley Hayes,1913 **Citizens and Subjects** Tony Wright,2002 *Politics, Peoples, and Government* Rodney Barker,1994-01 Rodney Barker surveys recent political debates in the light of the traditions which have contributed to them conservatism liberalism socialism and feminism At the same time he presents an overview of the principal themes in political thinking since the beginning of the nineteenth century and discusses how they have contributed and adapted to the changing concerns of politics in a democracy Placing

political ideas in their historical context he shows how by the end of the twentieth century a fundamental realignment had taken place as conservatism became increasingly radical liberalism fragmented socialism rediscovered its scepticism towards the state and feminism both subverted old orthodoxies and made more innovations to the ways in which we think about government and politics

**BOOK JACKET      *The British Controversialist and Literary Magazine* ,1870      British Politics**

Robert Leach,Bill Coxall,Lynton Robins,2011-08-17 Systematically revised and updated British Politics is an accessible and definitive guide to the shape of Britain's political institutions and processes The new edition covers significant developments and events in British politics such as the financial crisis and the 2010 general election and provides full analysis of the first year of the Conservative Liberal Democrat coalition government Incorporating useful learning aids throughout the book examines the state of British politics set against the background of devolution within the UK and an ever changing European and global environment Key features Comparative politics boxes highlight differences and similarities with other political systems Academic controversy boxes summarize debates on key issues On page glossary explains key words and concepts Chapter summaries questions for discussion and further reading to stimulate and reinforce learning Illustrated key thinker profiles A companion website [www.palgrave.com/foundations/leach](http://www.palgrave.com/foundations/leach) containing valuable additional material for students and lecturers

**A Hand-book of Politics for ...** Edward McPherson,1892      *New Trends in British Politics* Dennis Kavanagh,Richard Rose,British Politics Group,1977      **Exploring British Politics** Mark Garnett,Philip Lynch,2007 Concise comprehensive and accessible Exploring British Politics presents an insightful and fresh approach to British politics with a special emphasis on recent developments Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance Whilst framed in a discussion of the essential historical background of British politics contemporary issues are to the fore throughout and readers are encouraged to scrutinise what is often taken for granted and to develop their own thoughts and ideas Whether studying the subject for the first time or revisiting it Exploring British Politics is the ideal undergraduate text      The Saturday Review of Politics, Literature, Science and Art ,1866
