## **Political Parties In The European Union:**

**Political Parties and the European Union** John Gaffney, 2002-09-11 Political Parties and the European Union offers a panoramic survey of the political parties of contemporary Europe. It covers party politics from Scandinavia to Greece focusing on how parties in the individual member states have responded to the processes of European integration. Despite a trend towards political convergence, national traditions continue to shape politics across Europe. In order to reflect and do justice to the diversity of political cultures, the book combines case studies, comparative approaches and supranational perspectives. It examines the history of the main national parties, offers new comparative perspectives on communist, green and extreme right parties and analyses party politics at the European level. [The Role of Political Parties in the European Union](#) Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13 At the national level, political parties play an important role in making representative democracy work. They help to aggregate and communicate policy preferences, link decision making between different legislative bodies and hold politicians accountable. In the European Union, however, the electoral connection is weak. This casts doubt on the impact of partisan politics at the European level. Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union? To answer this question, we look at the micro foundations of partisan politics in the European Union. The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering qualitative process tracing, elite interview and large N quantitative analysis. Moreover, they examine party effects in the electoral and legislative arena. Finally, the volume covers all European institutions: the Commission, the Council of the European Union, the European Council and the European Parliament. The findings enhance our understanding of the workings of decision making in Brussels, add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union. This book was published as a special issue of the Journal of European Public Policy. *Political Parties and the European Union* John Gaffney, 2002-09-11 A major textbook for comparative courses on European politics and for courses on the European Union, providing a panoramic survey of the political parties of Europe. **The Role of Political Parties in the European Union** Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13 At the national level, political parties play an important role in making representative democracy work. They help to aggregate and communicate policy preferences, link decision making between different legislative bodies and hold politicians accountable. In the European Union, however, the electoral connection is weak. This casts doubt on the impact of partisan politics at the European level. Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union? To answer this question, we look at the micro foundations of partisan politics in the European Union. The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering

qualitative process tracing elite interview and large N quantitative analysis Moreover they examine party effects in the electoral and legislative arena Finally the volume covers all European institutions the Commission the Council of the European Union the European Council and the European Parliament The findings enhance our understanding of the workings of decision making in Brussels add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union This book was published as a special issue of the Journal of European Public Policy

*Directory of European Union Political Parties* Alan John Day, 2000 This is a companion volume to the reference Political parties of the World but it deals only with EU member states It features detailed profiles of all parties of any significance providing data on each party's history character support base policies leadership electoral results and affiliations For each country a general introduction puts the parties in their overall political constitutional and electoral context This volume is up to date to the beginning of 2000

**The Politics of the European Union** Herman Lelieveldt, Sebastiaan Princen, 2011-05-19 A new introduction to the European Union which uses the lens of comparative politics This approach helps students understand the EU through comparisons with domestic politics and links with broader debates in political science The text is supported by numerous examples and chapters include briefings fact files and controversy boxes which highlight important information and controversial issues in EU politics to widen and deepen student understanding The authors have developed online Navigating the EU exercises that introduce students to useful sources of information on the internet and help them to analyse policy making in the EU This textbook is a comprehensive introduction to EU politics and covers history theory key institutions and participants as well as policies and policy making

**Political Parties in the European Union** Simon Hix, 1997

**The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945-1950** Walter Lipgens, Wilfried Loth, 2019-11-05 No detailed description available for The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945 1950

**Political Parties in the European Community** Stanley Henig, 2025-09-12 Political Parties in the European Community 1979 looks at the decision by the member governments of the European Community to proceed to the direct election of a European Parliament It provides a full survey of the parties of the nine EC states giving both information and analysis on political and electoral systems party systems philosophy and structure of major parties finances membership and organisation In addition it deals with the evolution of transnational groupings of parties both inside and outside the European Parliament and the concluding chapter places Europe's parties in the overall context of the political societies within which they operate

*Political Institutions in Europe* Josep Maria Colomer, 2002 This is a clear lucid introduction to the institutional regimes of fifteen countries in western Europe written by an outstanding group of European political scientists New to the revised second edition comprehensive coverage of the political institutions of 15 European countries including Great Britain Ireland Germany France Italy Spain Portugal the Low Countries and the

Nordic Countries each chapter explores political parties elections and electoral rules parliaments and national regional and local governments a brand new chapter looking at the effect of the European Union chapters written by leading figures in the field annotated guides to further reading The book should be an essential introduction for students of both comparative and European politics

*At Europe's Service* Thomas Jansen, Steven Van Hecke, 2011-05-19 The European People's Party the largest political party in Europe has roots that run deep in history Founded in 1976 as a Christian Democratic federation the European People's Party is now a strong centre right movement and a leading European political family It has member parties in almost all European countries and it is very well represented in the institutions of the European Union This book tells the story of the European People's Party why it was founded how it is currently organised and what its guiding ideas values and principles are It gives an up to date account of the party's contribution to European integration its work with its member parties and its central role in organising the centre right in Europe Above all this book is for everyone who wants to know what a European level political party looks like how it is structured and how it acts

**The Role of Political Parties in the European Union**, 2008 Party Politics and Democracy in Europe Ferdinand Muller-Rommel, Fernando Casal Bértoa, 2015-08-11 This edited collection in honour of the late political scientist Peter Mair contains original chapters that are directly linked to his theoretical and or methodological ideas and approaches Peter Mair demonstrated that political parties have traditionally been central actors in European politics and an essential focus of comparative European political science Though the nature of political parties and the manner in which they operate has been subject to significant change in recent decades parties remain a crucial factor in the working of European liberal democracies This volume analyses recent developments and current challenges that European parties party systems and democracy face The volume will be of key interest to students and scholars of comparative politics democracy studies political parties and European politics and European Union studies

**European Political Parties Between Cooperation and Integration** Karl Magnus Johansson, Peter Alexander Zervakis, 2002 *Centre-left parties and the European Union* Isabelle Hertner, 2018-01-30 This book investigates how the British Labour Party the French Socialist Party PS and the German Social Democratic Party SPD deal with the European Union EU

**Political Parties in the New Europe** Kurt Richard Luther, Ferdinand Müller-Rommel, 2002 The scope and intensity of the challenges currently faced by western European political parties is exceptionally large threatening the viability of the manner in which they have traditionally operated and causing them to seek new behaviours and strategies This volume brings together some of the foremost scholars of European party politics whose evaluation of political parties in the new Europe is organised under four broad headings Parties and Society Parties as Purposive Organisations Parties and National Government and Parties the Nation State and Beyond The contributors review the latest empirical findings and provide a concise critical review of the theoretical and methodological state of the art They also highlight the analytical challenges confronting party researchers and suggest new avenues for party research

*Party*

*Attitudes Towards the EU in the Member States* Nicolò Conti, 2013-12-04 In a moment where the EU is facing an important number of challenges there is growing interest in understanding how parties influence the way Europe evolves as a political issue notably how parties structure domestic competition over European issues and they mobilise sentiments in referenda over European integration This book examines the views of national parties towards the European Union and the different facets of a supranational citizenship It provides an in depth investigation into the variations to the cross national patterns in ten countries including old and new member states and different EU regions Using original and innovative concepts data and research techniques the authors Explore whether parties formulate specific positions and preferences on the most particular aspects of the EU process Investigate whether the party s stance could be inserted into more pro European or more Eurosceptical attitudes Illustrate patterns of party contestation of the EU issues in the member states and explains these patterns in the light of the main theoretical arguments Making an important contribution to party attitudes towards the EU and the Europeanisation of party politics this book will be of interest to students and scholars of European politics sociology comparative politics government and party politics      Liberal Parties in Europe Emilie van Haute, Caroline Close, 2019-02-12 This book investigates how liberal parties have evolved over time as a party family in a comparative perspective Through a discussion of the applicability of the concept of party family to liberal parties it gives a better picture of the development challenges and opportunities for liberal parties in Europe The history of liberal parties in Europe is peculiar and the origins of the liberal family are not clearly defined Liberal parties are still quite heterogeneous given the various meanings embraced in the idea of liberalism including economic liberalism cultural liberalism progressivism social liberalism Bringing together the best specialists engaged in the study of liberal parties and with a two levels perspective comparative and case study this book renews and expands our knowledge on the liberal party family in Europe Four major themes are developed linked to the four approaches of the concept of party family electoral performances participation to power ideology and political program and party organization These themes are systematically developed in case studies and in comparative chapters Primarily aimed at scholars and students in comparative politics this book should especially appeal to scholars in the fields of political parties and party systems representation and elections voting behavior and public opinion      **Political Parties of Europe** Vincent E. McHale, Sharon Skowronski, 1983 No other reference work offers such information in such convenient form Recommended for all libraries Choice      **Transnational Parties in the European Union** David Scott Bell, Christopher Lord, 1998 Political parties provide the opportunity for public involvement in politics The national experience of the states that make up the European Union is that political parties have an important role to play in the democratization and integration of political systems This book presents a study of transnational political parties within the European Union It explores transnational party politics and networks a study of right and left party politics in the Union voting behaviour political alignments within the European parliament and party groups EP committees and consensus democracy
