## Right Wrongs In Labor Relations:

**Labor Relations** United States. Congress. Senate. Committee on Labor and Public Welfare,1949     *Brotherhood of Maintenance of Way Employes Journal* ,1965     **Valuing Employment Rights** ACL Davies,2024-05-09 This book gives new insights into employment law by analysing a neglected topic remedies for breaches of employment rights It explores remedies in the wider context of compliance with and enforcement of employment law through criminal law and other regulatory techniques The book argues that some of the remedies set out in statute or at common law for working people are a poor fit for the employment rights they are supposed to protect Employment rights are often undervalued in the legal system because remedies for their infringement are subject to limitations not applicable to rights in other settings This limits their ability both to uphold the dignity of working people and to deter breaches Moreover the remedies on offer do not always suggest a sensible ranking of employment rights in which fundamental rights attract stronger remedies than other kinds of rights and interests The book suggests why some of these problems might have arisen and makes proposals for reform It also considers the wider implications for a system of employment law that depends so heavily for its enforcement on working people litigating to enforce their rights Ranging widely across theory and doctrine and analysing criminal law contract and tort as well as statutory employment law this book will be of interest to academics and researchers seeking a deeper understanding of the subject     **Playthings** ,1963     **Jewish Labor in U.S.A., 1914-1952** Melech Epstein,1953
