around the facts including the burning questions of motive and identity says more about us than the Ripper *Royal Poxes and Potions* Raymond Lamont-Brown,2002 This book looks at the role of the royal doctor from the time of George I to the present day It includes the drama of George II and his madness Sir Frederick Treves who was involved with the Elephant Man Joseph Merrick and Sir William Gull who remains a suspect in the Jack the Ripper case **The Ripper's Victims in Print** Rebecca Frost,2018-01-12 Mary Ann Nichols Annie Chapman Elizabeth Stride Katherine Eddowes and Mary Jane Kelly the five known victims of Jack the Ripper are among the most written about women in history Hundreds of books on the Ripper murders describe their deaths in detail Yet they themselves remain as mysterious as their murderer This first ever study of the victims surveys the Ripper literature to reveal what is known about their lives how society viewed them at the time of their deaths and how attitudes and perceptions of them have or have not changed since the Victorian era *Jack the Ripper: The Suspects* The Whitechapel Society,2011-09-05 Jack the Ripper is the ultimate whodunit The Whitechapel Murders of 1888 remain unsolved and hundreds of theories have been suggested as to the killer s identity However many of the suggestions naming the infamous Ripper remain ill informed and quite frankly ludicrous until now The authors of this book are all members of The Whitechapel Society the world s largest organisation for the study of Jack the Ripper Each has spent many years researching a particular suspect and the results of their latest cutting edge investigations are published here for the first time Based on indisputable facts and concrete evidence the cases put forward in this collection allow readers to decide exactly who they believe is the man behind the myth With each chapter discussing a separate suspect in detail this book is the ultimate guide to the most famous criminal investigation in British history **Transactions of the Royal Academy of Medicine in Ireland** Royal Academy of Medicine in Ireland,1890 **Mysteries of the East End** ,2004 Journal of the Royal Institute of British Architects ,1897 Jack the Ripper: the Man Behind the Blade S.M.
