Rising Sun In The Pacific 1931 April 194:

The Battle of Midway Craig L. Symonds, 2013-10-03 A close up look at the battle of Midway Island analyzes this crucial naval victory which marked the turning point for the American fleet in the Pacific theater of World War II **The Rising Sun in the Pacific** Samuel Eliot Morison, 1963 *Bayonets in Paradise* Harry N. Scheiber, Jane L. Scheiber, 2016-02-29 Selected as a 2017 CHOICE Outstanding Academic Title *Bayonets in Paradise* recounts the extraordinary story of how the army imposed rigid and absolute control on the total population of Hawaii during World War II Declared immediately after the Pearl Harbor attack martial law was all inclusive bringing under army rule every aspect of the Territory of Hawaii's laws and governmental institutions Even the judiciary was placed under direct subservience to the military authorities The result was a protracted crisis in civil liberties as the army subjected more than 400 000 civilians citizens and alien residents alike to sweeping intrusive social and economic regulations and to enforcement of army orders in provost courts with no semblance of due process In addition the army enforced special regulations against Hawaii's large population of Japanese ancestry thousands of Japanese Americans were investigated hundreds were arrested and some 2 000 were incarcerated In marked contrast to the well known policy of the mass removals on the West Coast however Hawaii's policy was one of selective albeit preventive detention Army rule in Hawaii lasted until late 1944 making it the longest period in which an American civilian population has ever been governed under martial law The army brass invoked the imperatives of security and military necessity to perpetuate its regime of censorship curfews forced work assignments and arbitrary justice in the military courts Broadly accepted at first these policies led in time to dramatic clashes over the wisdom and constitutionality of martial law involving the president his top Cabinet officials and the military The authors also provide a rich analysis of the legal challenges to martial law that culminated in *Duncan v Kahanamoku* a remarkable case in which the U S Supreme Court finally heard argument on the martial law regime and ruled in 1946 that provost court justice and the military's usurpation of the civilian government had been illegal Based largely on archival sources this comprehensive authoritative study places the long neglected and largely unknown history of martial law in Hawaii in the larger context of America's ongoing struggle between the defense of constitutional liberties and the exercise of emergency powers *To Die Gallantly* Timothy J Runyan, Jan M Copes, 2019-08-22 German U boats known as iron coffins terrorized Allied ships during World War II and were responsible for thousands of deaths This volume published to commemorate the 50th anniversary of the Battle of the Atlantic brings together historians from both sides of the ocean to discuss this important campaign As well as offering new insights into both familiar and more neglected aspects the book reflects the human dimension of the conflict paying tribute to the whole spectrum of personnel involved planners and strategists spies and code breakers naval officers and crews merchant sailors and civilians **American Ambassador** Waldo H. Heinrichs Jr., 1986-11-27 The story of Joseph Clark Grew 1880 1965 is the story of the modern American diplomatic tradition Grew served the U S government for over forty years with an

impressive career that included two ambassadorships two secretaryships two ministerships and every junior rank in the service Grew was in Berlin when the U S went to war with Germany in 1917 was American Ambassador to Japan during the years leading up to Pearl Harbor was Undersecretary of State during the war and was instrumental in planning U S postwar strategy in the Far East In this rich and intimate biography Heinrichs draws on Grew s vast diary correspondence and several private and official collections to reconstruct the life of an extraordinary career diplomat Here Joseph C Grew emerges as a man of peace who used both skill and insight to slow the world s progress toward World War II **Journal of East Asiatic Studies** ,1955 **History of United States Naval Operations in World War II: The Rising Sun in the Pacific, 1931-April 1942** Samuel Eliot Morison,1947 Each of these 15 volumes covers a period and campaigns in the Pacific Atlantic and North African waters during World War II It was Morison s aim to show what the U S Navy accomplished in the greatest of all wars and how it was done The story in the main is one of fighting that is what the Navy is for and what its entire effort was directed toward But the author included enough space to strategic discussions planning organization and logistics to explain the end product the naval operations And when other armed services of the United States and her allies participated he brought them in too although not in so great detail Filled with many maps a number of them larger fold outs and black and white photos of the ships personnel and operations Pacific Affairs ,1949 Includes book reviews and bibliographies The Rising Sun in the Pacific, 1931 - April 1942 ,1948 **Proceedings - United States Naval Institute** United States Naval Institute,1975 Annual Report of the American Historical Association American Historical Association,1954 **Guide to Far Eastern Navies** Barry M. Blechman,Robert P. Berman,1978 Writings on American History ,1949 MacArthur and Wainwright John Jacob Beck,1974 The Cumulative Book Index ,1959 A world list of books in the English language **Public Affairs Information Service Bulletin** ,1948 *The Pacific War and Its Political Legacies* Denny Roy,2009-04-30 Intends to recount the events of the Pacific War that continue to vex international relations in Northeast Asia This title explains the origins of contending interpretations of the war and how those interpretations have led to the positions and policies of postwar governments and societal groups on issues directly related to the war Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 The Publishers Weekly ,1948 **Adult Author-title Catalog** Orange County Public Library (Calif.),1971
