## **Riding The Dragon Myth And The Inner Journey:**

*Riding the Dragon* Roselle Angwin, 1994 Following in the tradition of Joseph Campbell and Robert Bly Roselle Angwin shows how an understanding of myth can transform your life Through visualization dreamwork ceremony and myth Angwin takes you on an inner journey opening the gate to the treasure house of your unconscious and the world of the Soul

*A Spell in the Forest* Roselle Angwin, 2021-06-25 This book gently leads the reader into a new and deeper understanding of the forest and our ancient and intrinsic connection with the trees that has been largely forgotten in this modern age If you wish to develop and nurture a true affinity and knowledge of trees then *Tongues in Trees* will most definitely help you to do that

Luke Eastwood author of *The Druid Garden* and *The Druid's Primer* Trees occupy a place of enormous significance not only in our planet's web of life but also in our psyche

*A Spell in the Forest* *Tongues in Trees* is part love song part poetic guidebook and part exploration of thirteen native sacred British tree species

*Tongues in Trees* is a multi layered contribution to the current awareness of the importance and significance of trees and the resurgence of interest in their place on our planet and in our hearts

FROM THE BOOK Trees have always figured in human consciousness I believe that when we walk among trees or notice a particular tree a kind of exchange happens Trees love to be met Trees somehow mediate between ourselves and a different reality a different order of consciousness pre verbal post verbal trans verbal non verbal such a relief sometimes Trees in a natural forest mirror and speak to something of the wild soul in a human As we visit we encounter and are supported by the elemental powers that reside in such places and can more readily connect with our own instinctual natures and the wild soul

Wildness is not to be confused with a state of chaos being out of control savage It's a question of relinquishing the ego's grip to larger natural rhythms cycles surroundings an essential aspect of thriving When one does this one is more receptive to one's environment physical or more numinous

Woodland forest strikes me as a perfect example of the individual and the community being gracefully harmoniously and inextricably part of each other I walk the forest listen for birds rivers cascades stories of the wildwood rustling in the leaves try and stay aware of the great mycorrhizal web beneath my feet connecting us all

The ancients knew that spending time among trees is one of the best approaches to health and healing Recently Japan has spent millions researching the health benefits of shinrin yoku forest bathing In the forest I step into a different kind of time It's not simply that it so clearly stretches back so far into the past but also that it allows me what Thoreau described as a broad margin to my day

Mother trees we know from work by Suzanne Simard will reduce their own root competition to make room for their own offspring Trees will also help neighbours of their own species if necessary

Forests are liminal places thresholds into a meeting of the physical and metaphysical where we're on the cusp of another reality In our past our physical survival and some of our sense of meaning came from an awareness and direct experience of our connectedness with the more than human We need that awareness more than ever now Our being here our walking on this earth is a co creation a mutual belonging

How to live if not in reciprocal affinity

*Odyssey of Your Soul* Elizabeth Clare

Prophet,2020-09-28 Elizabeth Clare Prophet s fresh and insightful interpretation of the rites of passage hidden in one of the greatest epics of all time Homer s Odyssey is your personal map for charting life s challenges and achieving your highest potential After the Trojan War Odysseus struggles against all odds to return to his beloved wife and homeland His voyage is much more than a tale of monsters enchantresses and mythical gods The drama of Odysseus is an inner drama His relationships and encounters mirror back to him parts of his own character that he must confront His journey is also symbolic of our own voyage through life and our efforts to navigate its turbulent waters and explore its uncharted islands

Odyssey of Your Soul is an invitation to become the hero you are meant to be Imago Roselle Angwin,2011 When Annie just beginning to heal from a near fatal crash sets off for a conference in France she has no idea that this will be the catalyst for a dramatic journey It starts out innocently enough a late summer party on a Devon riverbank a full moon But two things happen as a result of that night Annie s husband is killed and the accident jolts her into a 700 year old memory that will take her to the Pyrenees and the inferno at the heart of the Cathar inquisition into a turbulent love affair and towards another encounter with death
