Rifleman's Bible:

The Rifleman's Rifle Roger C. Rule, 2009-07 **The Waterfowler's Bible** Erwin A. Bauer, Bauer Erwin, 1989

Generously illustrated with more than 175 photos and drawings this is the essential handbook for today's duck and goose hunter. Identifying characteristics and migration patterns of all species are included as are tips on incidentals that can make a difference.

Elementary Gunsmithing Perry D. Frazer, 2015-02-03 A beginner's guide to the ins and outs of gunsmithing from a professional gunsmith. When it was first published in 1938 *Elementary Gunsmithing* was one of the few books of the time to address an amateur audience among more advanced titles. With clear engaging and instructional prose Frazer takes beginner firearm interest to the next level by talking the reader through the fundamentals of gunsmithing such as what tools are necessary for the craft, how to solder and mount parts, and even how to conduct a fledgling gunsmithing business. He specifically addresses the young man who likes working at the bench, and similarly, the book reflects the spirit of innovation, resourcefulness, and do-it-yourself work. While the book may not cover contemporary firearms, it offers a grandfatherly old-school instructional vibe with accurate information about guns up to the 1940s. Frazer focuses on gunsmithing with ordinary hand tools at the workbench rather than complicated machinery. These helpful tips and information, which are still applicable today, make *Elementary Gunsmithing* a useful classic and historically significant reference for both amateurs and budding gunsmiths keen on building a full-time business. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
