Catholic Feminism and the Social Question in Chile, 1910-1917 Ericka Kim Verba, 2003 Brings to light the thoughts and practices of the Liga de Damas Chilena an aristocratic Chilean Catholic women's organization who helped to shape their nation's discourse and practices on gender women's social activism democracy politics citizenship nationalism and religion bringing to light the

ideology of these elite Catholic women **Women and Nationalism in the Making of Modern Greece** Demetra Tzanaki, 2009-05-26 This book reveals how the national idea in nineteenth century Greece helped women to develop an alternate vision of female politics history and citizenship Through a discussion of fascinating materials reflecting contemporary beliefs and ideas this innovative study reveals how notions of citizenship were determined and explores the long process through which ideas and beliefs shaped both societies and individual identities The Political Interests of Gender Revisited Anna G. Jónasdóttir, Kathleen B. Jones, 2009 This collection of theoretical and empirical research on gender and politics assembles contributions from a group of international scholars providing varied accounts of the political interests of gender It examines how to bridge the gap between discursive and socio materialist accounts of gender relations and politics Offering new models for theoretical and empirical research the first five chapters provide a theoretical framework for the collection while the following eight chapters shed light on key concepts through detailed case studies of such topics as human rights womens movements gendered labor markets international monetary policy equality policy and queer politics Publisher s description *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith, 2008-01-23 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike Searchlight , 2003 **Reproducing the Feminine Citizen-warrior** Meera Sehgal, 2004 **How to Conquer the Barriers to Intercultural Dialogue** Christiane Timmerman, Barbara Segaert, 2005 In a world society ruled by economic globalisation by political interests and theories such as Huntington s clash of civilisations that widen the gap between the North and the South the question should be asked of the role of the religion To what extent religion and politics can work

together Can faith still be thought as a mean of saving the world Considering that Christianity Islam and Judaism have much in common this collection of miscellanies wonders if these religions can join their forces for public benefit Senior and junior scholars from all over the world gathered for an interdisciplinary seminar analyse the contemporary international relationships and geopolitics through the prism of religion discussing whether it can provide practical solutions to solve conflicts and increase the respect of human rights *The Politics of Gender Violence* Meghana Vasudev Nayak,2003

Left History ,2003 *The Oxford Encyclopedia of Women in World History: Dance* Bonnie G. Smith,2008 This encyclopedia captures the experiences of women throughout world history and illuminates how they have influenced and been influenced by these historical social and demographic changes It contains over 1 300 signed articles covering six main areas biographies geography and history comparative culture and society organizations and movements womens and gender studies and topics in world history *Feminist Periodicals* ,2005
