**Wrong Text, Right Reply** Bonnie R. Paulson, 2025-08-01 As a sassy single mom running a divorcee support group my life is all about empowering women Romance No thanks I've sworn off men for good So when a mysterious stranger named KT joins my group text I open up to him in a way I never expected We bond over shared dreams and secrets But just as I'm ready to meet my online BFF I learn KT isn't who I thought He's Knox the lifelong bachelor I hate almost as much as my ex Knox accidentally got looped into my group text and saw a chance to understand women once and for all Now this man I despise knows my deepest desires If he reveals himself he'll lose me forever But if he stays silent I'll never forgive his betrayal To win my heart he'll have to use everything he learned from my wrong texts to make the right reply **Roscoe's Digest of the Law of Evidence in Criminal Cases** Henry Roscoe, Horace Smith, 1874 **Desai's Hand-book of Criminal Cases**, 1907 **Right to Reply in the European Press (France, the Federal Republic of Germany and Italy)** Tim Emerick-Cayton, William Sólyom-Fekete, Kemal Aly Vokopola, 1975 **Defining a Right of Reply** Katharine Stove, 2016 This paper examines the Law Commission's proposals to use a right of reply as a remedy within a new regime to combat harmful digital communications on the Internet in its Ministerial Briefing Paper Harmful Digital Communications The Adequacy of Current Sanctions and Remedies It seeks to determine whether a right of reply is a suitable tool to use in an online context against ordinary citizens when it has typically been an offline remedy for use against the media It also considers the best form for a right of reply under this new regulatory regime in order for it to constitute a proportional limit on a defendant's right to freedom of expression It concludes that a right of reply could be a suitable remedy under the regime and it could constitute a proportional limit on a defendant's freedom of expression but a Court should carefully balance the harms a right of reply might pose against the values of free speech implicated in each circumstance on a case by case basis in order to ensure the limitations a right of reply might pose on freedom of expression are always proportional and justified
