Rikas Stories From The Other Side:

Rika Mechanized M. D. Cooper, 2018-04-24 Rika is a scout mech once human now she is the property of the Genevian military Rika's crime was small stealing food But when faced with a five year prison term or conscription in the Genevian military she chose war She had no idea what that conscription would entail Now little of Rika's human body remains and she serves as an SMI 2 scout mech the meat inside a cyborg body She and others like her are sent in ahead of the human soldiers to tip the scales of war But the enemy has upped the ante and the mechs of Rika's fireteam will have to go up against unimaginable odds if they want to serve their time and become human again

Rika's Stories from the Other Side Erika M L Babcock, 1998-03-01

A Second Seer Gregory Ferriss, 2002-03 I got so scared It all felt so real I don't know what's happening to me Rika said That's okay dear he replied You'll be alright but you must promise me something What's that Please don't tell anyone what you saw tonight Rika sees the lightning the fire and the death of her closest friends but is it real The young woman hears the cries of those who aren't hurt She sees fires that haven't happened She is a second seer As she discovers her unique power she learns how she must confront the most mighty and wicked ruler in the land of Nater A Second Seer is the first book in the Second Seer Trilogy and Gregory Ferriss debut young adult novel

Botanical Imagination Jon L. Pitt, 2025-04-15 Botanical Imagination explores the complicated legacy and enduring lure of plant life in modern Japanese literature and media Using critical plant studies Jon L Pitt examines an unlikely group of writers and filmmakers in modern Japan finding in their works a desire to become botanical in both content and form For nearly one hundred years a botanical imagination grew in response to moments of crisis in Japan's modern history Pitt shows how artists were inspired to seek out botanical knowledge in order to construct new forms of subjectivity and attempt to resist certain forms of state violence As he follows plants through the tangled histories of imperialism and state control Pitt also uncovers the ways plants were used in the same violence that drove artists to turn to the botanical as a model of resistance in the first place Botanical Imagination calls on us to rethink plants as significant but ambivalent actors and to turn to the botanical realm as a site of potentiality

Dusk Lane Jill Penrod, 2014-10-01 Meandering around a volcanic ridge through jungle lowlands and over salt flats Dusk Lane is a route only the most desperate travelers find and without strong guides nobody can survive the path through the beautiful and dangerous interior of Chimelu Rika is one such guide but this group of travelers might prove to be more than he can handle for each has suffered great loss Young Aaden has lost his music beautiful Lunette has lost her voice bold Annora has lost her future and all three hope something on the path can restore them Rika finds he has lost his detachment and as he sinks more deeply into the lives of his travelers he realizes this trek down the Lane may change his entire life Of course they're traveling in the rainy season when the path is most dangerous so there's a good chance they won't survive to change at all Take another trek into the world of Balia in this installment of the Tales of Balia the Christian romance fantasy series about a rich land not so different from our own and the god who wanders

I. McDonald,2024-03-12 Introducing the first book in a speculative fiction series called The Atavist Effect Rika s Run this sets the framework of an epic tale that starts with the actions of unlikely characters whose pursuit of their faith family and

freedom put them against distant seemingly all powerful forces The story is told from the twenty second century through the research of a maker s apprentice trying to keep a seat in the qargi the maker school Like a complex puzzle he pieces together old family stories to discover how a girl changed the events of the twenty first century On a stolen flying contraption and searching for her brother Rika sowed the seeds of rebellion against technocratic globalists quietly seizing control and restricting people s freedoms The storyteller already knows that the world collapsed in the late twenty first century after all it is a part of the curriculum in school But the mystery is how it happened and how it all came back together How do the choices of the previous generations impact the present What is the right response when faced with difficult decisions against impossible odds While the book deals with tough issues it s written for a diverse audience from youth to those blessed with age The characters are multigenerational opening the door for families to read the book together to discover and talk about what happens and how things work in the world between the pages It s not science fiction It s science possible Welcome to the age of cold steam a time for the makers Ekklesiastika and Other Stories E. Vallado DaRoy,1995 *A Biography of W. C.
