Sex This War:

Love, Sex, and War John Costello, 1985 Modernism and the Theater of Censorship Adam Parkes, 1996-02-22 Adam Parkes investigates the literary and cultural implications of the censorship encountered by several modern novelists in the early twentieth century He situates modernism in the context of this censorship examining the relations between such authors as D H Lawrence James Joyce Radclyffe Hall and Virginia Woolf and the public controversies generated by their fictional explorations of modern sexual themes These authors located obscenity at the level of stylistic and formal experiment The Rainbow Lady Chatterley's Lover Ulysses and Orlando dramatized problems of sexuality and expression in ways that subverted the moral political and aesthetic premises on which their censors operated In showing how modernism evolved within a culture of censorship **Modernism and the Theater of Censorship** suggests that modern novelists while shaped by their culture attempted to reshape it **Gender and Power in Britain, 1640-1990** Susan Kingsley Kent, 1999 This is a history of Britain from the early modern period to the present focusing on gender in society Several areas are explored and a chronological framework is used to make this an exciting journey through the last few centuries **Gender and History** Susan Kingsley Kent, 2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge **Gender and History** Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies *Equivocal Feminists* Karen Hunt, 2002-04-11 Examines the relationship between socialism and feminism through a detailed study of Britain's first Marxist party the Social Democratic Federation **The Fiction of Sex** Rosalind Miles, 1974 **British Modernist Fiction, 1920 to 1945** Harold Bloom, 1986 Collects essays on the fiction of the principal British novelists from the period between the two world wars with discussions on such authors as James Joyce D H Lawrence Virginia Woolf Wyndham Lewis and Evelyn Waugh Bibliog **Wyndham Lewis** E.
