Liberty Smith

Sexology In Culture Labelling Bodies And Desires:

Sexology in Culture Lucy Bland, Laura Doan, 1998 With *Sexology in Culture* leading historians in a range of relevant fields have been brought together to examine the impact of key writings by sexologists on English speaking culture from the 1880s to the early 1940s *Sex between Body and Mind* Katie Sutton, 2019-11-25 Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century As scholars such as Magnus Hirschfeld Iwan Bloch Albert Moll and Karen Horney in Berlin and Sigmund Freud Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines sexology and psychoanalysis This is the first book to closely examine vital encounters among this era s German speaking researchers across their emerging professional and disciplinary boundaries Although psychoanalysis was often considered part of a broader sexual science sexologists increasingly distanced themselves from its mysterious concepts and clinical methods Instead they turned to more pragmatic interventionist therapies in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance As sexology and psychoanalysis diverged heated debates arose around concerns such as the sexual life of the child the origins and treatment of homosexuality and transgender phenomena and female frigidity This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were always part of a dialogic and competitive process It fundamentally revises our understanding of the production of modern sexual subjects *Sexual Liberation, Socialist Style* Kateřina Lišková, 2018-05-03 Eastern Europe in the Cold War enjoyed its sexual liberation In Czechoslovakia this liberation came from above mediated by experts **The Archaeology of Plural and Changing Identities** Eleanor Casella, Chris Fowler, 2005-12-05 As people move through life they continually shift affiliation from one position to another dependent on the wider contexts of their interactions Different forms of material culture may be employed as affiliations shift and the connotations of any given set of artifacts may change In this volume the authors explore these overlapping spheres of social affiliation Social actors belong to multiple identity groups at any moment in their life It is possible to deploy one or many potential labels in describing the identities of such an actor Two main axes exist upon which we can plot experiences of social belonging the synchronic and the diachronic Identities can be understood as multiple during one moment or the extended moment of brief interaction over the span of a lifetime or over a specific historical trajectory From the Introduction The international contributions each illuminate how the various identifiers of race ethnicity sexuality age class gender personhood health and or religion are part of both material expressions of social affiliations and transient experiences of identity *The Archaeology of Plural and Changing Identities Beyond Identification* will be of great interest to archaeologists anthropologists historians curators and other social scientists interested in the mutability of identification through material remains *The Cambridge Companion to the Body in Literature* David

Hillman,Ulrika Maude,2015-05-26 This Companion offers the first systematic analysis of the body in literature from the Middle Ages to the present day

Irish Modernism and the Politics of Sexual Health Lloyd (Meadhbh) Houston,2023 Irish Modernism and the Politics of Sexual Health explores the politicized role of sexual health as a concept discourse and subject of debate within Irish literary culture from 1880 to 1960 Combining perspectives from Irish Studies Modernist Studies and the Social History of Medicine it traces the ways in which authors politicians and activists in nineteenth and twentieth century Ireland harnessed debates over sexual hygiene venereal disease birth control fertility and eugenics to envisage competing models of Irish identity culture and political community Analyzing the work of canonical authors Yeats Synge Shaw Joyce Beckett Flann O'Brien and less often discussed figures George Moore Oliver Gogarty Signe Toksvig Kate O'Brien in conversation with medical scientific and legal writing on sexual health it charts how the medicalization and politicization of sex informed the emergence and development of modernism in Ireland At the same time by reading this literary material alongside the polemical and journalistic writing of figures such as Arthur Griffith Maud Gonne and Hanna Sheehy Skeffington it also reveals the ways in which key events in Irish cultural and political history the Parnell Split the Limerick Pogrom the Playboy riots the passage of the Censorship of Publications Act were shaped by ongoing debates and dilemmas in the field of sexual health This book will benefit students researchers and readers interested in the history of sex and its regulation in modern Ireland the impact of sex and medicine on Irish political history and the nature of modernism's engagement with sex health and the body

Territories of Desire in Queer Culture David Alderson,Linda R. Anderson,2000 These essays highlight the shifting sets of relationships which determine the forms taken by desire They argue that the spread of the subject within and across geographic ethnic class and gender boundaries makes a difference to the ways in which desire is theorized experienced and represented

Leibhaftige Vergangenheit Maren Lorenz,2000

Sex in Revolution Jocelyn H. Olcott,Mary Kay Vaughan,Gabriela Cano,2006 A collection of histories showing how women participated in Mexican revolutionary and postrevolutionary state formation by challenging conventions of sexuality work family life and religious practice

Djuna Barnes Deborah L. Parsons,2003 In this illuminating and lucid study Deborah Parsons examines the range of Djuna Barnes's oeuvre her early journalism short stories and one act dramas poetry the family chronicle *Ryder* the *Ladies Almanack* and her late play *The Antiphon* as well as her modernist classic *Nightwood*

Cumulative Bibliography of Victorian Studies ,2000

A Gay History of Britain Matt Cook,Robert Mills,Randolph Trumbach,H.G. Cocks,2007-06-30 A Gay History of Britain tells the extraordinary history of male male sex and love in Britain in all its diversity from the Middle Ages to the present

Perspectives in Human Sexuality Gail Hawkes,John Geoffrey Scott,2005 Perspectives in Human Sexuality is an authoritative and critical overview of key debates research findings and theories in the important area of sex and sexuality Written in a clear and accessible style controversial issues are discussed in an informative and fair balanced manner With its sociological orientation Perspectives in Human Sexuality employs a

range of empirical and theoretical resources including those which utilise scientific medical historical and ethical knowledge in order to elucidate the critical issues affecting contemporary life This is the first textbook written especially for undergraduate students to offer a detailed and comprehensive introduction to sex and sexuality from an Australian and New Zealand perspective Examines controversial issues such as sex and age sex work and gay lesbian and queer sex in a fair and balanced manner Leading Australian and New Zealand authors in the field of sex and sexuality have contributed to the book They have written in a clear concise manner for the least experienced reader Each chapter provides an overview section and summary questions to encourage reflective approaches to the topic a glossary of key words and concepts and a further reading section including details of websites associations and journals The book deals with sexuality from an Australasian perspective addressing the specific concerns and interests of an Australasian audience providing it with a unique standing in the current market

The Pilgrimage of Dorothy Richardson Joanne Winning, 2000 Pilgrimage Dorothy Richardson's thirteen volume opus of autobiographical fiction follows the entire arc of an independent woman's life in early twentieth century Britain It is one of the major works of the modernist period indeed it is considered by many a classic of modernist literature In this book Joanne Winning argues in this book however that Richardson's novels continue to be misunderstood in several important ways Winning is the first critic to fully explore the issues of lesbian identity in the novels Examining primary materials manuscript drafts and Richardson's previously unstudied correspondence Winning demonstrates that Pilgrimage contains a carefully constructed though concealed subtext of lesbian desire and sexuality The Pilgrimage of Dorothy Richardson explores the ways in which Richardson used such cultural forms as sexology psychoanalysis and other lesbian and modernist literature of her time to create an intertextual dialogue about lesbian identity Winning suggests that a sustained reading of lesbian sexuality in Pilgrimage is crucial to a more complete understanding of Richardson's long and sometimes difficult work Winning also places Pilgrimage in the context of other works by female modernist writers that record lesbian identity This approach Winning suggests is the first step toward recognizing and defining a literary movement that can be termed lesbian modernism as well as toward a deeper understanding of how lesbian modernist writers helped shape modernist literature as a whole

Nineteenth-century Literature, 2004 *Histories of Sexualities: Sapphists and sexologists* Mary McAuliffe, Sonja Tiernan, 2009 The annual Lesbian Lives conference has been held in University College Dublin since 1993 This title includes papers that cover a period in history from the medieval to the very modern The success of the conference held in 2006 entitled Historicising the Lesbian inspired this collection of essays

Histories of Sexualities: Tribades, tommies, and transgressives Mary McAuliffe, Sonja Tiernan, 2008 The annual Lesbian Lives conference has been held in University College Dublin since 1993 This title includes papers that cover a period in history from the medieval to the very modern The success of the conference held in 2006 entitled Historicising the Lesbian inspired this collection of essays
