**Sozialstruktur und Lebenslauf** Peter A. Berger, Peter Sopp, 2013-03-08 **Geschlecht und soziale Ungleichheit**

Eva Cyba, 2013-03-09 Das Buch enth lt einen neuen Ansatz zur Erkl rung sozialer Ungleichheiten im allgemeinen und der Frauenbenachteiligung im besonderen Es werden die Akteure und strukturellen Bedingungen im Prozess der Benachteiligung identifiziert und die Handlungsm glichkeiten zu dessen Ver nderung aufgezeigt Gleichzeitig wird eine informative Zusammenschau ber die aktuellen Ergebnisse der Frauenforschung und ber den Stand der theoretischen Diskussion geboten

*A History of Regulating Working Families* Nicole Busby, Grace James, 2020-08-06 Families in market economies have long been confronted by the demands of participating in paid work and providing care Across Europe the social economic and political environment within which families do so has been subject to substantial change in the post World War II era and governments have come under increasing pressure to engage with this important area of public policy In the UK as elsewhere the tensions which lie at the heart of the paid work unpaid care conflict remain unresolved posing substantial difficulties for all of law s subjects both as carers and as the recipients of care What seems like a relatively simple goal to enable families to better balance care giving and paid employment has been subject to and shaped by shifting priorities over time leading to a variety of often conflicting policy approaches This book critiques how working families in the UK have been subject to regulation It has two aims To chart the development of the UK s law and policy framework by focusing on the post war era and the growth and decline of the welfare state considering a longer historical trajectory where appropriate To suggest an alternative policy approach based on Martha Fineman s vulnerability theory in which the vulnerable subject replaces the liberal subject as the focus of legal intervention This reorientation enables a more inclusive and cohesive policy approach and has great potential to contribute to the reconciliation of the unresolved conflict between paid work and care giving

Gender as a Verb Annette Fitzsimons, 2017-11-22 This title was first published in 2002 Aiming to contribute to feminist theory in the area of paid employment this volume demonstrates how the meanings attached to gender can form part of the explanation for the persistence of gender segregation at work The author applies the Foucaultian concept of discourse to occupational segregation to offer a new approach to the study of gender segregation An analysis is provided of gender in relation to computer programming

**Women, workplace protest and political identity in England, 1968-85** Jonathan Moss, 2019-04-04 This book revisits women s workplace protest from an historical perspective to deliver a new account of working class women s political identity in England between 1968 and 1985

Women and Recession (Routledge Revivals) Jill Rubery, 2010-10-18 Originally published in 1988 this book compiles a collection of works investigating the impact of recession on women s employment The authors argue that the most important explanation of differences in women s experience between the countries is the form of labour market regulation and organisation They point

out that current changes in these forms of regulation and not displacement of female labour pose the main threat to any gains that women have made in the labour market in the post World War II period *Female Labour Power: Women Workers' Influence on Business Practices in the British and American Cotton Industries, 1780-1860* Janet Greenlees, 2017-03-02 Britain and America were the first two countries with mechanised cotton manufacturing industries the first major factory systems of production and the first major employers of women outside of the domestic environment The combination of being new wage earners in the first trans national industry and their public prominence as workers makes these women s role as employees significant they set the early standard for women as waged labour to which later female workers were compared This book analyses how women workers influenced patterns of industrial organization and offers a new perspective on relationships between gender and work and on industrial development The primary theme of the study is the attempt to control the work process through co operation coercion and conflict between women workers their male counterparts and manufacturers Drawing upon examples of women s subversive activities and attitudes toward the discourses of labour the book emphasizes the variety of women s work experiences By using this diversity of experience in a comparative way the book reaches conclusions that challenge a variety of historical concepts including separate spheres of influence for men and women and related economic theories for example that women were passive players in the workplace evolutionary theories with respect to industrial development and business culture within and between the two industries Overall it provides the fresh approach that highlights and explains women s agency as operatives and paid workers during industrialization [Routledge International Encyclopedia of Women](#) Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects [Familienleben und Berufsarbeit](#) François Höpflinger, Maria Charles, Annelies Debrunner, 1991 *Analisi SOCIOLOGIA II Sociologia della famiglia Sociologia del lavoro Svizzera LAVORO Lavoro della donna Svizzera* **Social Science Quarterly**, 1987 Includes section Book reviews **Women and the Sexual Division of Labour in the Caribbean** Keith Hart, 1996 [Books for College Libraries: Social sciences](#) Association of College and Research Libraries, 1988 This third edition lists 50 000 titles that form the foundation of an undergraduate library s collection This volume covers the social sciences [DE Research Papers](#), 1992 *Loyalty is a One Way Street* Toni O'Loughlin, 1997 **American Teachers** Donald R. Warren, 1989 With original contributions by leading experts American Teachers is a critical synthesis of the most important current knowledge providing historical background and

context for current proposals to reform the teaching profession and to examine policy issues historically **Police and Law Enforcement**, 1987      *Banking on Flexibility* Jacqueline O'Reilly, 1994 This text compares the flexibility of employment in retail banking in Britain and France It discusses temporary work subcontracting and part time work and also the societal issues affecting women s role in the workforce      *Waterstone's Guide to Books* Waterstone & Co, 1989      *New Books on Women and Feminism*, 1986
