Shadows Move Among Them:

Shadows Move Among Them Edgar Mittelhölzer, 1951 Portraying the dark authoritarian side of the utopian dream this classic novel tells the story of the Reverend Harmston a man devoted to building a micro-society in which there is a balance between the order that is necessary to produce livelihood and the freedom to fully explore sexuality Setting up a commune in the remote Guyanese forest with the creed Hard work frank love and wholesome play the reverend attempts to construct an ideal society that opens up cross cultural dialogue between the spirit of European enlightenment and the culture of the native Amerindians Underneath its generally comic tone however there are notes of a darker spirit at play such as Harmston's unquestioned authority and the brutal punishments he hands out that eerily foreshadow the actual 1978 Jonestown Massacre a violent event that occurred 27 years after the novel's initial publication *Shadows Move Among Them* Edgar Mittelholzer, 1961

Telling Stories, 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research
