Shadows From The Greater Hill:

Under the Grand Old Hills. A Romance Mary Rosa Stuart Kettle, 1875 **Shadows of Something Real** Sophia Kell Hagin, 2013-07-01 In some ways Marine Lieutenant Jamie Gwynmorgan has it pretty good The motherly kindness of Lynn Hillinger the senator she saved during the war that nearly killed them both never wavers Plus she has a great place to stay while she s on convalescent leave and a steady supply of the best lemonade on earth But flashbacks and nightmares shadow her as she tries to decide Attempt a return to active duty or what Jamie doubts she can ever achieve the peaceful life she dreams of until she meets smart idealistic Adele Sabellius As their relationship deepens almost anything seems possible Soon however Jamie learns that something more menacing than nightmares and flashbacks has begun to twist the restless shadows around her Though she may never understand why Adele loves her Jamie will do whatever it takes to keep Adele safe when relentless enemies emerge from those darkening shadows to threaten yet another war **The Great Shadow** Doyle, 1893 **The Shadow Theory** Arthur Winarczyk, 2013-10-19 Set against the background and subsequent intrigue of a military intelligence operation the story of seven year old Katy who wants a dad She becomes a hero after a daring raid on a house of a Russian Mafia arms dealer Wanda is a single mother Steve appears to be an analyst When advanced missiles vanish from a 24 7 monitored armoury Steve is asked to assist for reasons he appears not to understand As their quest begins travelling to New York then through Europe to Moscow and into the heart of the Russian Mafia Steve proves an asset no one appears to have foreseen So much so when an emergency arises in Israel on their way back to Australia Steve is asked to consider a request Steve Wanda and Katy find themselves in a horrifying situation **Beneath The Shadow Of The Sun** Terry Severhill (Old Man Poet), 2017-12-31 Poetry of a young man Poems about what the young man did before he became an old poet man writing poetry about war Beneath The Shadow Of The Sun And On Some Dark Night A History Of Sorts By Terry Severhill Published by West Vine Press Terry Severhill was a poet who lived in Vista California He was a member of the Marine Corps and hung around San Francisco in the mid 1960s He was a vocal advocate of writing frequently found raising awareness about the effects of PTSD on the minds of United States troops returning home from war He was at the height of his powers before he died suddenly after only recently being diagnosed with terminal cancer He was a funny poet who told it like it is and shall be missed by all those who knew him *In the Shadow of the Round Tops* Allen R. Thompson, 2023-06-27 Exciting new research lifts much of the fog surrounding the Battle of Gettysburg and offers a glimpse into what happened on that fateful day July 2 1863 James Longstreet s countermarch and Samuel Johnston s morning reconnaissance are two of the most enigmatic events of the Battle of Gettysburg Both have been viewed as major factors in the Confederacy s loss of the battle and in turn the war Yet much of it lies shrouded in mystery Though the battle is one of the most well documented events in history the vast majority of our knowledge comes from the words of the veterans and civilians who experienced it Without action photography video or audio recordings our primary window into what happened is the memory of those who

were there The story of the Battle of Gettysburg is simply the compilation of the memories of those who fought it But memory is anything but objective Recognizing the multitude of factors that affect human memory In the Shadow of the Round Tops explores how the individual soldiers experienced remembered and wrote about the battle and how those memories have created a cloud over James Longstreet s enigmatic countermarch and Samuel Johnston s infamous reconnaissance Each soldier had a particular view of these historic events Because many people saw part of the story but no one saw all of it each memory is a critical piece to the puzzle By comparing the veterans memories and sifting through the factors that affected each memory the picture of the countermarch reconnaissance and the entire battle comes into sharper focus *The Athenaeum* ,1889 **Shadows from the Greater Hill** Tessa Ransford,1987 **Arthur's Home Magazine** ,1881 The Photographic News: A Weekly Record of the Progress of Photography.
