Shakespeare Authorship Question Evidence:

The Shakespeare Authorship Question Craig Huston, 1978 **The Shakespeare Authorship Question and Philosophy** Michael Quinn Dudley, 2023-10-17 For nearly 200 years people have questioned the identity of Shakespeare however this debate is often dismissed by most scholars as just a conspiracy theory with the life of the poet playwright being beyond doubt And yet the documented facts related to the man from Stratford are meagre where they exist at all forcing biographers to rely heavily on their own imaginations What does it mean to say that the traditional stance on Shakespeare's authorship is a belief as opposed to a search for knowledge What are the ethical implications of declaring that some history is beyond doubt and that no debate about it may be permitted What can theories of knowledge truth and rhetoric tell us about how knowledge of Shakespeare has been constructed and justified To the extent that this belief has consequences for society can it then be said to be an ethical one Finally what difference does it actually make from a pragmatic perspective who the Author was Highly original in its scope *The Shakespeare Authorship Question and Philosophy* sets out the debate's many profound philosophical dimensions concerning knowledge historiography truth and academic freedom implications that transcend the debate itself [The Case for Shakespeare](#) Scott McCrea, 2005-01-30 Demonstrates that William Shakespeare of Stratford upon Avon really did write the plays and poems attributed to him via a literary forensics case that puts all other authorship theories to rest *Four Essays on the Shakespeare Authorship Question* Mike A'Dair, 2012-04-01 Now in its third edition *Four Essays on the Shakespeare Authorship Question* is an introduction to the authorship issue The first essay examines the evidence for why William Shakspeare the man from Stratford cannot have been William Shakespeare the author of the Works The second essay offers 48 arguments for why Edward de Vere the Seventeenth Earl of Oxford was Shakespeare The third essay explores the secret identity of Edward de Vere and explains why the timeless works of the aristocratic courtier poet and playwright were attributed to the journeyman actor and businessman from Stratford not just during de Vere's life but for three centuries after his death These essays draw upon the research and insights of many authors who have been investigating the authorship question since 1859 including Charles Wisner Barrell Charlton and Dorothy Ogburn Hank Whittemore Mark Twain John Thomas Looney Charlton Ogburn Jr Elisabeth Sears Paul Streitz John Hamill and others *Four Essays on the Shakespeare Authorship Question* is both a primer on the authorship question and a sophisticated treatise on the Prince Tudor theory In teasing out the evidence for de Vere's true relationship to Queen Elizabeth A Dair offers a new theory on his parentage In postulating a romantic love relationship between de Vere and his son Henry Wriothesley the Third Earl of Southampton A Dair may have illuminated the most shocking truth of all about the greatest poet in the English language **Shakespeare Authorship Question** Keir Cutler, 2013-03-16 *The Shakespeare Authorship Question A Crackpot's View* is a quick fun read that will leave you wondering why schools and colleges aren't teaching both sides of the Shakespeare story Author and performer Keir Cutler is a crackpot More accurately he has a

psychological aberration He is also ignorant a snob and a publicity hound He has a poor sense of logic refuses to accept evidence and is possibly certifiably mad Who calls him and people like him by those terms The Shakespeare Birth Trust in Stratford upon Avon England Why Because he questions whether the man from Stratford wrote the famous plays and poems And even crazier he contends that to many teachers and professors Shakespeare has become a religion and most schools would no more question Shakespeare s authorship than the Vatican would question Jesus Christ s divinity There exists an impressive army of crackpots who doubt the traditional story of Shakespeare Mark Twain Sigmund Freud James Joyce Orson Welles John Gielgud Derek Jacobi Michael York Vanessa Redgrave Jeremy Irons Mark Rylance former U S Supreme Court Justices John Paul Stevens and Sandra Day O Connor and the great writer and critic Henry James who wrote I am haunted by the conviction that the divine William is the biggest and most successful fraud Whether the man from Stratford did or did not write the famous plays and poems all students have a right to know as Smithsonian Magazine has stated There are no original manuscripts Not so much as a couplet written in Shakespeare s own hand has been proven to exist In fact there s no hard evidence that Will Shakespeare of Stratford upon Avon 1564 1616 revered as the greatest author in the English language could even write a complete sentence A Crackpot s View is one man s attempt to bring critical thinking to an important subject Strange that one has to be a crackpot to do it This work is an absolute must for all lovers of Shakespeare and believers in critical thinking www.keircutler.com **Teaching and Learning Practices for Academic Freedom**

Enakshi Sengupta, Patrick Blessinger, 2020-11-23 Although academic freedom in teaching and learning methods is crucial to a nation s growth the concept comes with numerous misnomers and is subjected to much academic debate and doubt This volume maps out how truth and intellectual integrity remain the fundamental principle on which the foundation of a university should be laid **To All The World Must Die** Paul Hemenway Altrocchi, MD, 2014-08-21 Few are aware that the actual identity of William Shakespeare a pen name represents our greatest cultural mystery Even fewer realize that Will Shakspeare of Stratford on Avon was an uneducated businessman who never owned a book knew no foreign languages never traveled and never wrote a word of poetry or prose Shakspeare was a front for a complete fraud perpetrated by England s leading politician Robert Cecil for reasons of power and greed The astonishing strength of Conventional Wisdom has kept the ruse going for 400 years perpetrated by professors of English who blinded by traditional dogma refuse to accept the remarkable and growing body of evidence in favor of Edward de Vere Volume 8 of the Anthology Series Building the Case for Edward de Vere As Shakespeare documents the quickening pace of Oxfordian discoveries in the late 1990s and early 2000s These present massive problems for professors of English to combat in a convincing manner Supreme Court Justice John Paul Stevens 1991 For present purposes I shall confine my analysis to the Sherlock Holmes principle that sometimes the fact that a watchdog did not bark may provide a significant clue about the identity of a murderous intruder This concern directs our attention to three items of the Shakespeare authorship controversy First it is of interest that there is no mention of any

library or of any books at all in his will and no evidence that his house in Stratford ever contained a library Second his son in law s detailed medical journals contain no mention of the doctor s illustrious father in law Finally is the fact that is most puzzling to me the seven year period of silence that followed Shakespeare s Shakspeare s death in 1616 Until the First Folio was published in 1623 there seems to have been no public comment in any part of England on the passing of the greatest literary genius in the country s history It does seem odd that not even a cocker spaniel or a dachshund made any noise at all when he passed from the scene

Shakespeare Beyond Doubt Paul Edmondson, Stanley Wells, 2013-04-18 Did Shakespeare write Shakespeare This authoritative collection of essays brings fresh perspectives to bear on an intriguing cultural phenomenon

The Shakespearean Myth Appleton Morgan, 2015-01-09 Example in this ebook Mguizot in his History of England states the Shakespearean problem in a few words when he says Let us finally mention the great comedian the great tragedian the great philosopher the great poet who was in his lifetime butcher s apprentice poacher actor theatrical manager and whose name is William Shakespeare In twenty years amid the duties of his profession the care of mounting his pieces of instructing his actors he composed the thirty two tragedies and comedies in verse and prose rich with an incomparable knowledge of human nature and an unequaled power of imagination terrible and comic by turns profound and delicate homely and touching responding to every emotion of the soul divining all that was beyond the range of his experience and for ever remaining the treasure of the age all this being accomplished Shakespeare left the theater and the busy world at the age of forty five to return to Stratford on Avon where lived peacefully in the most modest retirement writing nothing and never returning to the stage ignored and unknown if his works had not forever marked out his place in the world a strange example of an imagination so powerful suddenly ceasing to produce and closing once for all the door to the efforts of genius But M Guizot is very far from suggesting any prima facie inconsistency in this statement as it stands Since every man reads the Shakespearean pages for himself and between the lines much of what we are expected to accept as Shakespearean criticism must fail of universal appreciation and sympathy But none who read the English tongue can well be unconcerned with the question as to who wrote those pages and it would be affectation to deny that the intense realism of our day is offering some startling contributions to the solution of that question For instance the gentlemen of the New Shakespeare Society whom Mr Swinburne rather mercilessly burlesques in his recent Studies of Shakespeare submit these dramas to a quantitative analysis and by deliberately counting the male female weak and stopped endings and the Alexandrines and catalectics just as a mineralogist counts the degrees and minutes in the angles of his crystals insist on their ability to pronounce didactically and infallibly what was written by William Shakespeare and at what age what was composed by Dekker Fletcher Marlowe or anybody else what was originally theirs touched up by William Shakespeare or vice versa etc It is curious to observe how this process invariably gives all the admirable sentiments to William Shakespeare and all the questionable ones to somebody else but at least these New Shakespearean gentlemen have surrendered somewhat of the

cast iron theory of our childhood that every page line and word of the immortal Shakespearean Drama was written by William Shakespeare demi god and by none other perhaps even opened a path through which the unbelievers may become in due time orthodox There are still however a great many persons who are disposed to wave the whole question behind them much as Mr Podsnap disposed of the social evil or a famine in India It is only a Historic Doubt they say and Historic Doubts are not rare are mainly contrived to exhibit syllogistic ingenuity in the teeth of facts etc etc The French they say have the same set of problems about Moli re Was he a lawyer was he a doctor etc and they all find their material in internal evidence e g an accurate handling of the technique of this or that profession or science parallelism practical coincidence or something of that sort To be continue in this ebook **Catalog of the Shakespeare Collection** Folger Shakespeare Library,1972

Shadow Pasts William D. Rubinstein,2014-09-11 For many intelligent people the stuff of history does not consist of the kind of dry as dust investigations of diplomatic economic or political history that most university historians research and write about but the famous topics of history s mysteries who was Jack the Ripper Was there a conspiracy to kill President Kennedy Did Richard III murder the Princes in the Tower What are the mysteries of the ancient Pyramids Not only have a great many books and articles been written on these and similar topics by so called amateur historians but they have generated societies conferences newsletters and television programmes Many people who are not academic historians take a keen interest in these topics and have in some cases made themselves real experts on them with interesting theories of their own Despite all of this however these topics are virtually ignored by academic historians and can be treated with contempt In Shadow Pasts William D Rubinstein a well known and widely published history professor examines seven of the most famous and interesting topics which have been discussed debated examined and written about by amateur historians Each of these mysteries and the theories surrounding them are examined in detail with Professor Rubinstein presenting his own original and sometimes surprising conclusions about what really happened **Lexical Choices and Morphological Variables in**
