## **Sexual Labyrinth Of Nikolai Gogol:**

*The Sexual Labyrinth of Nikolai Gogol* Simon Karlinsky, 1976 Through careful textual readings of Gogol's most famous works Karlinsky argues that Gogol's homosexual orientation which Gogol himself could not accept or forgive in himself may provide the missing key to the riddle of Gogol's personality A brilliant new biography that will long be prized for its illuminating psychological insights into Gogol's actions its informative readings of his fiction and drama and its own stylistic grace and vivacity Edmund White Washington Post Book World

*Women In Russian Literature 1780-1863* Joe Andrew, 1988-07-06

**Republic of Noise** Diana Senechal, 2011-11-17 In Republic of Noise Diana Senechal confronts a culture that has come to depend on instant updates and communication at the expense of solitude Where once it was common wisdom that the chatter of the present about the present could not always grasp the present today we treat real time as though it were the only real time Schools emphasize rapid group work and fragmented activity not the thoughtful study of complex subjects The Internet offers contact with others throughout the day and night we lose the ability to be apart even in our minds Yet solitude does not vanish it is part of every life It plays an essential role in literature education democracy relationships and matters of conscience Throughout its analyses and argument the book calls not for drastic changes but for a subtle shift an attitude that honors solitude without descending into dogma Outspoken lyrical and unassuming Senechal's book dismantles the groupthink that pervades our lives

*Gogol's Schuld und Sühne* Urs Heftrich, 2004 Von dem Interpreten wird die ethische Verpflichtung im gesamten Geschehen des Romans freigelegt Es zeigt sich da der Bauplan der Toten Seelen subtiler gezeichnet ist als die Forschung bisher annahm Genau untersucht wird das allegorische Beziehungsgeflecht das sich hinter den verspielten Details der Fassade des verkappten Entwicklungsromans verbirgt Gogol wollte der russischen Literatur ein modernes Gegenstück zu Dantes Divina Commedia schenken und den Weg von der Sünde zum Heil aufzeichnen

**A Half-century of Greatness** Frederic Ewen, 2007-09 A Half Century of Greatness paints a vivid and dramatic picture of the creative thought of mid to late nineteenth century Europe and the influence of the unsuccessful Revolutions of 1848 It reveals often unexpected links between novelists poets and philosophers from England Germany Austria Hungary Russia and Ukraine especially Dickens Carlyle Mill the Brontës and George Eliot Hegel Strauss Feuerbach Marx Engels Wagner and several German poets the Hungarian poet Sándor Petőfi Gogol Dostoevsky Bakunin and Herzen in Russia and the great Ukrainian poet Shevchenko The book was reconstructed and edited by Dr Jeffrey Wollock from Ewen's final manuscript It includes the author's own reference citations throughout a reconstructed bibliography and an updated further reading list This is Ewen's last work the long lost companion to his *Heroic Imagination* Together these books present a panorama of the social political and artistic aspects of European Romanticism especially foreshadowing and complementing recent work on the relation of Marxism to romanticism Anyone interested in what Lukács called Romantic
