Catholic Sexual Morality Robert L. Fastiggi,2018-01-04 Many people today believe that the traditional Catholic view of sex is antiquated unrealistic and potentially harmful In Catholic Sexual Morality Dr Robert Fastiggi asks whether the permissive sexual attitude of today s culture is really contributing to deeper love better relationships and true happiness for men women children and families He begins with the example of St Augustine who recognized he was a slave to lust and in

need of true freedom Fastiggi then examines the foundations for Catholic sexual morality in Scripture reason and human experience The hope is that people will realize that the Catholic Church is not against sex but sees sexual intimacy as something so beautiful and life giving that it requires the stability of marriage for its true and rightful expression Catholic Sexual Morality is grounded in the belief that the church s teachings on sex correspond to God s plan for human happiness These teachings are challenging and the church understands how easy it is to fail in sexual matters God s mercy however is more powerful than human weakness and sin This book explains the reasons why the Catholic Church teaches as she does on matters such as pornography masturbation fornication adultery contraception divorce and homosexual acts It presents these teachings in a realistic way with full recognition of the reasons why people reject them The ultimate desire is to help people understand that Catholic sexual morality is not a creation of church leaders but a response to what God has made known to us in Sacred Scripture and the natural law In a world filled with infidelity divorce wounded children and broken hearts the wisdom of traditional Catholic sexual morality deserves a more sympathetic view not just because it is Catholic but because it is true

Rebuilding Catholic Culture Ryan Nathan Scott Topping,Ryan Topping,2013-01-18 Rarely does a book come along that so succinctly explains the decline of modern culture articulates a defense of the Church s teachings and offers a hope filled path for building a civilization grounded in Catholic truth In these pages Dr Ryan Topping does all three pulling back the curtain on the false philosophies of the secularists and showing that in the West today the most formidable threat to freedom is not failing economies or Islam but secularism Our best defense he claims is a vibrant Catholic culture and our best hope for creating it lies in the principles found in the Catechism of the Catholic Church In Rebuilding Catholic Culture you ll discover sensible ways to begin restoring Catholic culture right now in your own life and family and in our larger communities as well in the theater in the classroom in our hospitals and even in the public square This profoundly accessible book will renew your confidence in the world transforming character of our Creed and in the potency of our Faith to shape and redefine the culture of the West Book jacket **The Minaret** ,1998 **The Catholic World Report** ,2001 First Things ,1998-06 **Forthcoming Books** Rose Army,2001-08 *Index to Book Reviews in Religion* ,1999 **Uncommon**
